North Yorkshire Council is preparing the North Yorkshire Local Plan that will cover the area of North Yorkshire Council outside of the National Parks.

North Yorkshire Local Plan: Our First Conversation

This consultation is our first conversation on a new Local Plan for North Yorkshire. It is about the priorities and issues that the North Yorkshire Local Plan can help to address. The council is asking for your views on those local plan priorities and issues, what the places and spaces across the North Yorkshire Local Plan area will be like in the future and the how the new local plan can influence that.

We want to ensure that the Parish, City and Town Councils as well as the community including the public, interested groups and organisations, visitors, businesses, landowners, and developers are all involved.

The North Yorkshire Local Plan: Our First Conversation consultation runs to **Tuesday 15 July 2025** (please see poster attached.) You will receive an email (or letter for those

without access to email) advising you when the first conversation consultation starts and providing you with information on how and where to view the documents and how to get involved.

Further information is available online on the North Yorkshire Local Plan page, www.northyorks.gov.uk/localplan

2. The NHS 'Healthy Start' Scheme

The NHS 'Healthy Start' Scheme is a national scheme to help families to purchase healthy food and receive free vitamins. It is available to women from 10 weeks pregnant or if they have a child under the age of 4. The scheme is means tested and the applicant must be claiming certain benefits to be eligible.

We need your help to promote the scheme in your area and have **FREE** posters and credit card information that we can provide you with.

To search the archives for information about your Town or Parish please visit the [North Yorkshire Archives](#) blog.

5. International Day of Older People: 1 October 2025

The International Day of Older People (IDOP) is celebrated on 1st October every year. In the last few years North Yorkshire Council's Age Friendly team has shared information

across the county and increased the number of events held and is now looking to share further across the county and boost awareness with regard to healthy ageing.

The North Yorkshire Council Age Friendly team would be grateful if you could share this within your Town/Parish Council and let them know of any groups that might like to join in with celebrations. Ideas and suggestions are always welcome!

There is funding available to support these celebrations [Inspire Fund | North Yorkshire Council](#)

11) Parish Consultation Panel: Have Your Say

You may be aware that as part of its work to improve communication with Town and Parish Councils and to better understand the issues they face North Yorkshire Council's Parish Liaison Team has established a representative 'consultation panel' of Town and Parish Clerks from across the county. The purpose of this virtual panel is to gather the views from Parish and Town Clerks about communication with North Yorkshire Council, gauge opinion on matters of shared interest and to respond quickly to any emerging issues facing Parish Councils.

Earlier this month the Panel was asked for its views on the effectiveness of the Parish Liaison team's outreach and engagement activity and in the coming months will be asked for feedback on issues such as the Parish Charter, the Local Plan and Community Rights and Local Devolution opportunities.

If you would like to join the Parish Consultation Panel please contact the Parish Liaison team at: parishliaison@northyorks.gov.uk

Thank you for reading this month's Parish Update and please don't forget to look out for the next edition which will be published on **25 June 2025**.

Kind regards

Peter
