<b>Violence Against the Person:</b>	<b>0</b>	
<b>Other crimes including Drugs:</b>	<b>0</b>	
<b>TOTAL THIS PERIOD:</b>	<b>0</b>	

### North Yorkshire Police Updates:

- **Dot Peen Property Marking**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools, computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be placed on the waiting list.

- **Op Bright**

As the dark nights begin to roll in we will begin to operate Op Bright again. Op Bright is an operation ran over winter encouraging homes that are rural or could be a target to consider leaving on a light or installing security lighting. More to follow..

[REDACTED]  
Potto Parish Council  
34 Cooper Lane  
Potto  
Northallerton  
North Yorkshire  
DL6 3HA

18 January 2022

Dear Mr [REDACTED]

## Your Local Councils Insurance Renewal

**Premium:** £204.28 including Insurance Premium Tax at 12% (where applicable) and our broker fee.  
**Renewal Date:** 24 February 2022  
**Policyholder:** Potto Parish Council  
**Policy Number:** LCO01696

Your Local Councils Insurance policy falls due for renewal shortly. Please will you read this renewal invitation carefully and let us know if you have any questions. From renewal, your policy will continue to be underwritten by leading UK insurer, Aviva Insurance Ltd. Aviva are the only provider we have approached in relation to your Local Councils Insurance policy.

Your policy continues to provide the same level of cover as before, including the following benefits:

- Set covers that protect against risks faced by Councils, including legal liabilities, money, theft by employees, accidental wrongdoing by council officials and libel and slander
- Legal Expenses at a standard limit of £250,000, reflecting the rising costs of legal advice
- Officials Indemnity at a standard limit of £500,000
- Set limits for property cover so there is no need to contact us and pay extra premiums every time there is a change to the councils asset register
- 24 hour legal and claims helplines
- Access to the Aviva Online Risk Management portal

The renewal premium quoted above is based on information you have previously provided to us and there having been no changes to your material information in the last 12 months. This information is detailed within the attached Local Councils Schedule and Statement of Fact. You will notice that some of your sums insured have been index linked to keep pace with inflation. Your renewal premium is also subject to there being no claims reported or changes in material information, which may cause the insurer to reassess their ratings and terms. For all renewals after 1st July 2020 there has been a minor increase applied to the premiums charged by your insurers\*. This is the first increase for at least three years and reflects the rising cost of claims, as a result of increases in such areas as construction costs and liability settlements, particularly where injuries to third parties are concerned.

\*Where you have an existing Long Term Undertaking with the insurer, the premium rates will not be amended until your current agreement expires. Please refer to your policy schedule for the expiry date, where applicable.

If you are aware of any changes to material information, or if you are in any doubt as to what might constitute material information, please contact us directly in order that we may discuss and assist you. Changes to material information may lead to a change in the terms and conditions of your policy.

We would also draw your attention to the enclosed 'Notice to Policyholders', provided by Aviva. In common with most other UK insurers, Aviva have felt it necessary to reconfirm their position in relation to policy coverage, in the wake of the Coronavirus pandemic. Your policy now includes an endorsement which provides clarity around the exclusion of cover for this, and other similar circumstances.

As we are not making a recommendation to you, we would ask that you consider the information included within these documents

**BHIB Leicester**  
AGM House, 3 Barton Close,  
Grove Park, Enderby, Leicester LE19 1SJ

T.0330 013 0036  
E.enquiries@bhibaffinities.co.uk  
[www.bhibcouncils.co.uk](http://www.bhibcouncils.co.uk)

carefully to ensure the cover meets the council's requirements.

### **Buildings Valuations**

It is vitally important to insure your properties correctly, in order to avoid any issues that might arise at the time of a claim. 'Underinsurance' is one of the main reasons why claims could be settled at a lower value than anticipated. The cost of reinstating buildings is often overlooked when deciding on the values to be insured, however this is the single most important factor to take into account. 'Market' values are not a suitable basis for determining your sum insured.

A professional valuation from a member of the Royal Institute of Chartered Surveyors (RICS) will provide you with a reliable reinstatement calculation, taking into account the whole value of the property, the required building materials, special features, surrounding areas (such as car parks, paths and boundary walls) and increased costs that might be necessary due to local features, for example, narrow access, or waterside property.

If you have a professional valuation for any of your properties, and where it is less than three years old, please forward a copy to BHIB and we will measure the information against your current sum insured. If you do not have a current valuation and require some assistance in finding an RICS member who can assist you, please let us know. BHIB have secured preferential rates from our recommended suppliers.

If a revised value is recommended by an RICS professional, Aviva have agreed to halve any resulting additional premium, in order to help towards the cost of purchasing the valuation. We recommend updating your valuations every three years, so as to ensure your sum insured keeps pace with inflation and other construction cost related factors.

### **BHIB Councils Website**

Please visit our website at [www.bhibcouncils.co.uk](http://www.bhibcouncils.co.uk) for further details relating to policy cover and benefits, our handy Risk Management Support Guide and our Knowledge base, which contains practical risk management and other related information, for you and your parishioners. We also have a no nonsense explanation of common (but technical) insurance language, on our 'Ask the Expert' page. You are invited to pose any question or query you might have, via this page, for example, if it's not convenient to call us during office hours.

### **Local Council Awards Scheme (LCAS)**

If you hold a Foundation, Quality or Gold Quality Award, you are entitled to a discount in addition to any discounts already applied to your policy. Simply call your BHIB Councils Insurance team on 0330 013 0036 and confirm your LCAS status, or sign and return the LCAS declaration contained within the enclosed schedule and we will be more than happy to provide an amended renewal quotation.

### **Long Term Undertaking**

The above premium includes your Long Term Undertaking discount. This gives you the benefit of ensuring that your policy will renew during the term of the agreement on the same rates as those used for last year's quotation. As you have chosen to enter into the Long Term Undertaking, you are making a commitment to maintain this insurance policy for the 3 year period. This Long Term Undertaking relates solely to this product and cannot be transferred to another policy or insurer.

Did you know that accepting a fresh three year agreement enables you to obtain a free Parish Online licence for your council? Please contact the BHIB Councils Insurance Team to receive your licence and visit the website to find out how the Parish Online scheme can benefit your council. ## WHY CHOOSE BHIB CYBER FOR COUNCILS?

We have developed a bespoke insurance product which will help you in the event of a cyber-attack. We can now provide tailored protection and peace of mind for Local Councils from the risks of cyber-attacks and any liabilities that arise due to a breach of privacy legislation (GDPR).

The policy provides:

- **£250,000 Limit of Indemnity**
- **E-Theft** (social engineering/ Funds Transfer) Extension of **£25,000**
- **10 free device licences** for award-winning endpoint protection **AVAST Antivirus Pro Plus** and cloud data backups (RRP £400per annum) which satisfies policy conditions

Our policy has a range of benefits that are **exclusive** to our **BHIB Cyber for Councils policy** including:

- **Free EOS data breach alert** and monitoring service.
- Premium of **£299.99 including Insurance Premium Tax**
- Small councils can work in partnership and have a **joint policy** with **up to 3 other councils** to split the cost and share the 10 free Avast business Pro Plus device licences.
- **Free 1 Hour cyber/GDPR consultation** with compliance expert (who has experience as a councillor) to give advice and guidance. Further consultancy available at extra cost.

Please see the enclosed information for more details.

## Enclosures

We have enclosed the following documents for you:

- Local Councils Statement of Fact
- Local Councils Policy Schedule
- Summary of Cover
- Notice to Policyholders - Changes to your Policy you need to know about before you renew
- Renewal Invoice
- Statement of Demands & Needs
- Special Events & Activities Guidelines for Risk Management guidance
- BHIB Cyber policy information
- BHIB Terms of Business Agreement

Included in this pack is a Terms of Business Agreement. It is important that you read and understand this document as it details BHIB's general terms and conditions in respect of the services we are providing to you as your insurance broker.

**It is vitally important to carefully read the enclosed Statement of Fact. The detail contained in this document forms the basis of your fair presentation of risk to your insurers, along with the sums insured, estimates and other values detailed in the enclosed Schedule. You must check the content of both documents and advise us if anything is fundamentally incorrect, or requires amendment. If you know of additional, relevant, detail which you feel should be declared to your insurer, in order that they fully understand risks associated with your organisation, please do not hesitate to inform us. Please note that any discrepancy or inaccurate detail could affect the acceptability of your risk to underwriters and, ultimately, could be detrimental to the success of any future claim.**

We would ask that you please read all enclosed documentation carefully. If you have any queries regarding any of these documents, please don't hesitate to contact the Local Councils team, who will be happy to address any questions you may have.

A full copy of your Policy Wording is always available upon request from BHIB Councils.

### BHIB Leicester

AGM House, 3 Barton Close,  
Grove Park, Enderby, Leicester LE19 1SJ

T.0330 013 0036  
E.enquiries@bhibaffinities.co.uk  
[www.bhibcouncils.co.uk](http://www.bhibcouncils.co.uk)

### Administration Charges

We will make administrative charges per transaction, per policy, in respect of document handling relating to your insurance. These charges will be applied as follows:-

- £Nil for new business; renewals and any change to your policy involving an amendment to your premium.
- £50.00 for the cancellation of any policy, (other than at the policy renewal date)

These charges are in addition to any charge imposed by the insurance company.

### What To Do Next

If you want to go ahead, there are no additional forms to complete. All you need to do is read through the enclosed documents carefully to ensure the cover details accurately reflect your requirements. Please provide renewal instructions prior to the renewal date or simply make your payment by one of the methods outlined in the enclosed Renewal Invoice before the renewal date.

Alternatively, you can spread the cost of your insurance premiums and pay one regular monthly payment by direct debit.

Please note that BHIB is a credit broker and not a lender, we will not provide you with any advice regarding finance and we will only approach Close Premium Finance Wimbledon Bridge House, 1 Hartfield Road, London, SW19 3RU. BHIB Ltd is remunerated for arranging credit and if you would like to find out more, please ask us.

Total due (Premium, IPT and BHIB Fees, where applicable)	£204.28
10 Monthly instalments of	£21.42
Finance charge	£15.00
Total payable including interest	£219.28

This option is subject to a minimum annual instalments charge of £15.00.

Thank you for being a valued BHIB customer. If there is anything you wish to discuss with us we are always here to help.

Yours Sincerely

**TOWN AND COUNTRY PLANNING ACT 1990  
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990**

Dear Sir/Madam

**PROPOSAL:** Replacement porch and utility room extension. .  
**LOCATION:** Glen Lyon Goldgate Lane Swainby  
**APPLICANT:**  .

The above application, which was received on 6 December 2021 ,has now been formally considered and determined by this Council. The decision on this proposal was: **Granted**. The comments which you made in respect of the proposal were taken into account in arriving at the decision.

A copy of the decision notice and planning report explaining how the decision was arrived at is now available to view on our website. [www.hambleton.gov.uk](http://www.hambleton.gov.uk)

If you require further information about this matter please do not hesitate to contact the case officer Ms Helena Thornton who will be pleased to help. I would, however, draw you attention to the fact that only the applicant has a right of appeal against the decision.

Yours faithfully

Development Management  
Hambleton District Council

### North Yorkshire Police Updates:

- **Stokesley Farmers Market:**

Officers from Stokesley Neighbourhood Policing Team will be at Stokesley Farmers Market on the third Saturday of every month from 9am the next one will take place on the 19<sup>th</sup> Feb 2022.

- **Op Bright**

Over the last few months, we have been patrolling the area and reminding residents about the dangers of advertising their property as empty. It is good practice to keep curtains drawn and a light on an evening. Those properties which seem to be empty or clearly are, we will be posting leaflets as a reminder.

- **Dot Peen Property Marking**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools,

computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be added to the waiting list.

- **Fraud/Scams to be aware of:**

North Yorkshire Police are receiving reports from across the county where victims had received a call from a male claiming to be a police officer. The 'officer' would claim that they had a male in custody they believed to be the grandson/nephew etc of the person being called and that this person was in possession of their bank and credit cards. The person being called was asked whilst on the line to immediately call their bank or the police on 911 to verify this was genuine. Obviously if the intended victim did this, they would not be talking to their bank or the police but to the fraudsters.

Please be aware of this type of call and remember, if you ever do need to contact the police or bank to verify, use a different line from the one being called on. Never allow yourself to be rushed and if in doubt immediately terminate the call.

- **Drugs Awareness**

Stokesley Police would appreciate the assistance of our community in relation to drug use/supply.

Information can be provided via 101, through Crime stoppers on 0800 555 111 or email

[snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk).

If anyone would like to report anything via email, our email address is:

# An update on progress towards a new single council for North Yorkshire

Issue 2 – February 2022

**Introduction – In April 2023**, less than 14 months' time, the new **North Yorkshire Council** will take over providing public services for every resident, household and community in the county. This new organisation will replace the county council and seven district/borough councils, which currently operate. Leaflets outlining a little about what this will mean for everyone who lives here are going out in council tax bills across the county soon and in a few weeks' time important **county council elections** will take place. All eight councils are working hard together to deliver the best possible new council. We hope you find the below updates from the workstreams driving the local government change programme in North Yorkshire helpful.

**Locality –** The new council will **keep things local** with staff continuing to live and work in the communities they serve. There will still be a main office in each district with additional customer access points across the county. New place-based partnerships will support communities, bringing together residents, councillors, town and parish councils, MPs, local businesses, groups and partners e.g. NHS, North Yorkshire Police and the fire and rescue service.

There are likely to be six area committees based on parliamentary constituencies, which will be made up of all the unitary councillors from that area (approx. 15). These will make local decisions on matters like licensing; hold the new council's executive to account and support community ambitions and priorities.

**Corporate Governance –** Our current focus is the draft Structural Changes Order (SCO), which is expected to be ratified by Parliament in the coming weeks and which paves the way for county council elections in May this year. The order is really important as it confirms the legal process necessary to support the formation of a new single council. In the elections on **5 May**, 90 councillors will be elected to 89 divisions. They will **serve for five years** (not the usual four), and they will play a key role in shaping the new council and the services it provides. These councillors will be making decisions that affect you, your family, your community and your business. Work is under way to ensure any potential candidates fully understand the new role, including a series of online events beginning this month. You can find out more about those here <https://www.northyorks.gov.uk/news/article/find-out-about-becoming-candidate-crucial-elections> For details of the new divisions click this link <https://maps.northyorks.gov.uk/connect>

Work is also progressing so that the new council has all the necessary policies and procedure in place to ensure it is **safe and legal on day one – 1 April 2023**.

**Culture, leisure and sport –** Our priority is to ensure that on day one people can go for their swim or to the gym, book a show, visit a museum or take out a library book as usual.

Our wider aim is to lay the foundations to realise North Yorkshire's potential as one of the best places for culture, leisure and sport. We want to explore opportunities to maximise external funding into the county (some of which will be available in 2022) and we aim to achieve this alongside strong collaborative partnerships. To do this for culture, we are mapping provision across the whole area, working together to join up thinking on attracting funding and National Portfolio Organisations (NPO) submissions and will be creating a single culture team. This team will take forward the North Yorkshire Cultural Framework and Libraries Strategy, as well as local plans and strategies. NPOs receive government funding administered by Arts Council England. They are expected to be leaders in their areas of arts, heritage

and culture, and have a collective responsibility to protect and develop the national arts and cultural ecology by delivering on Arts Council strategic outcomes through their work. Currently North Yorkshire only has seven NPOs.

For leisure and sport, we are making sure customers will continue to experience a good, local offer from the start and that communities and partners are kept well informed. Looking ahead, we are thinking about how we might operate in the future to best support wider wellbeing and health outcomes, increase participation and activity levels and make sure the offer is really inclusive for everyone.

**Customer** – We are working hard to ensure the new unitary council looks and feels like one organisation for our customers from day one. To deliver this and provide an excellent customer service, a ‘one front door’ approach has been agreed. This will offer a consistent and accessible customer focused approach with a mix of online and face-to-face customer services across the county. We are now using existing customer feedback and insight from across district, borough and county council teams to inform our operating model while working with other workstreams to ensure a customer-focused vision is delivered across the new council.

**Devolution** – The UK Government has launched its white paper for Levelling Up, which included an invitation to York and North Yorkshire to enter negotiations with a view to forming a devolution deal for our region, based on a Mayoral Combined Authority, similar to the one in the Tees Valley. The announcement was warmly welcomed in a joint statement from Cllr Carl Les, Chair of the Implementation Board for the new North Yorkshire Council (and leader North Yorkshire County Council) and Cllr Keith Aspden, leader of City of York Council, which read:

*“Today’s announcement of a levelling up white paper brings York and North Yorkshire a step closer to a devolution deal. Devolution can unlock significant, long-term, investment for this region, driving growth and contributing to a stronger Northern economy. It has the potential to bring improvements to areas such as public transport, infrastructure, support for businesses, education and skills, benefitting the people who live and work here. A devolution deal could also help deliver an ambition for this region to become England’s first carbon negative economy. We therefore welcome the commitment shown for levelling up and devolution in this announcement.*”

*“We now look forward to entering into negotiations with Government to secure the best possible deal for our region. We hope to see York and North Yorkshire taken forward as the first city-region rural powerhouse to make devolution a reality.”*

You can read the white paper [here](#) (the reference to devolution for York and North Yorkshire is on p235).

The headline ‘asks’ for the deal that will be under negotiation were drawn up in collaboration with all local authorities in the region and the York & North Yorkshire Local Enterprise Partnership in 2020. You can see a summary here <https://www.northyorks.gov.uk/new-council-and-devolution-north-yorkshire>

Winning a devolution deal will be a huge opportunity for the region’s economy, bringing new and better jobs and opportunities. Devolution was one of the drivers behind the move to create a single new council. It is important to stress that while one of these things led to the other, devolution and the process of becoming a unitary council are in themselves separate. Negotiating a deal with Government will lead to a Combined Authority through which the devolution deal will be administered and governed. Looking after the Combined Authority will be a new Mayor, who will operate across North Yorkshire and York.

The parameters of the deal, the timelines for negotiation and what comes after, are still to be finalised. These are decisions that will be addressed by all elected councillors in York and North Yorkshire. There will also be a broad public consultation. Subject to all the proper processes of consultation and agreement, it is possible that we could see Mayoral elections in May 2024.

**Economic Development** – Creating economic growth for North Yorkshire is one of the biggest opportunities afforded by the Local Government Reorganisation (LGR) and the creation of the new North Yorkshire Council. It comes at a crucial time to aid our recovery from the pandemic. We have ambitious plans for supporting business growth, generating inward investment, firing up the jobs and skills agenda and prioritising regeneration. Underpinning those ambitions, North Yorkshire needs a sustainable, world-class visitor economy, bringing income into the county.

The new North Yorkshire Council will put us firmly in the driving seat to unlock the opportunities provided by the government's Levelling Up agenda, by giving us a stronger collective voice when speaking to investors and government. We will be engaging all of our stakeholders over the next year as we approach 1 April 2023, to maximise these opportunities.

**Finance** – Work has started on pulling together financial information and identifying key systems as well as reviewing contractual arrangements to ensure essential services continue uninterrupted, while avoiding duplication and making savings. Options for harmonising existing key policies such as council tax reduction are also being worked up, so we can consult with residents in time to provide a single approach for day one of the new council. And, just as the eight councils finish setting their own final budgets this month, the work picks up on pulling together that information to start an early shadow budget for the new council for 2023/24.

**Housing** – Housing services are very important to tenants, leaseholders, residents and partners across North Yorkshire. We are working hard to ensure that strategies and procedures are ready for the new authority. We are reviewing the current housing services across all seven districts/boroughs so we can identify any gaps in services and retain best practice for the new organisation. As part of this we are looking at the opportunities to deliver quick wins in areas such as Disabled Facilities Grants. We aim to have an efficient, timely and people-focused delivery for this grant to support people to live independently through things like home adaptations. Through one single Disabled Facilities Grants policy, we will align different schemes to work together more effectively.

**Human Resources (HR)** – our staff are our greatest asset and a significant effort is going into keeping everyone informed and engaged in the change programme. This workstream is core to support a seamless transition to the new council, by ensuring all staff can join together in the new organisation and that our services continue on day one. This includes, for example, supporting the legal process of transferring colleagues into the new council. Over recent weeks, we have been finalising proposals around TUPE transfer for some staff; for others, they will transfer as part of the continuing authority arrangement set out in the Structural Changes Order.

Other key parts of this workstream's focus at the moment include looking at the policies and arrangements for staff that will support the new council to retain and recruit the best skills to support longer-term innovation and transformation of services. We have also delivered a new joint approach to recruitment during the period of change to best support all the councils involved. This helps all eight councils to pool resources where needed ahead of the change in April 2023. Together, these things will ensure that staff are able to deliver for residents and businesses from day one of North Yorkshire Council.

As you would expect, **HR** is working very closely with **Organisational Development (OD)** - Organisational Development is the glue that will bind together the new council. The overall approach will shape and embed the vision of the new council and set the course for its values and behaviours, which will define how we act and how we work with each other to deliver a successful and high-

performing council. It will also set the blueprint for how we influence and work with key partners, our residents, communities and businesses.

The workstream is now focusing on a number of core areas, including the best ways to support health and wellbeing so we can better serve our residents, communities and businesses, work safely, and retain the skills and resources needed. We are also looking at how we embed equality, fairness and diversity into what we do and how we do it, to ensure we are truly representative of the communities we serve and proactively tackle disadvantage.

**Information Communication Technology (ICT) & Digital** – One of the most important tasks for this area is to make sure that all staff can access what they need to on day one so that services continue uninterrupted. It is a vast piece of work to map out and bring together systems and processes managing things like data storage and online services for customers. Everything from door and email access to payment and financial collection systems will need to be operating safely on day one.

**Planning** – This workstream is responsible for the development of a new, high-quality planning service for North Yorkshire and its communities. Planning expertise from all eight councils has been combined to ensure statutory services will be provided effectively and in line with legislation from day one of the new council. They are also leading on the creation of an ambitious vision and framework for future development in the county, with a local focus, to support sustainable economic growth, prosperous communities, and protect the much-loved heritage assets for which the county is famous.

**Property** – This area is working on how to get the very best from all our property assets. For example, staff will be able to access office space locally, cutting travelling times, reducing vehicle emissions and engaging with new colleagues in the locality. Practical things like making sure that all of our tenants know who to contact, understand any changes to how they pay rent and also the new number to call if any emergencies arise in terms of the maintenance. Continuing to provide a good service to our customers in a safe and legal way is the key priority.

**Regulatory services and emergency planning** – Our focus is to make sure key regulatory services and statutory duties continue to be delivered, committees and staff have the tools and authority needed to conduct their duties and relationships with our key partnership are maintained. Looking to the future, we also want to build upon the positive work we have already started across the county. For example, how we can improve on community resilience work, develop the multiagency nature of community safety hubs and build upon the existing North Yorkshire Building Control Partnership (NYBCP).

**Waste, highways parking and street scene** – As waste collections, street lighting, cleanliness and road maintenance services are highly visible to our residents, we are working hard to ensure that these are kept running at the same high levels of service throughout the LGR change programme. We are confirming the scope of services and understanding any differences around how they are currently delivered across the districts. Many staff in these areas work on the front line with communities and we are focussed on keeping them really well informed. As part of this, plans have been made to deliver a series of face-to-face roadshows starting in the coming weeks.

#### **Service area updates:**

**Adult services** – Health and Adult Services continues with measures to protect the health of the whole population and to help manage Covid outbreaks in care homes and schools with guidance and support. As we move beyond the current Covid restrictions, we will work with NHS, borough/district, voluntary sector and independent sector partners to continue to develop health protection; to address the public health priorities for the county; to focus on prevention and good mental and physical health; to continue our market development programme with the care sector; to grow our existing extra care

and supported housing services; to develop a comprehensive model of health and social care services in the community; and to prepare for major national reforms to adult social care and public health.

**Children and Young People** – North Yorkshire County Council’s Children and Young People’s Service are currently looking at some of the housing issues facing young people leaving care in North Yorkshire, and the potential for working in collaboration with district council housing partners on the issue.

Over the coming months, the county council is also keen to explore the potential incentives that can be used to recruit much-needed foster carers and provide foster families with support in providing children with healthy, active lives.

Stacey Buriel  
Chief Executive  
Ryedale District Council

## **Adoption Statement**

### **Notification under Regulations 26 and 35 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (as amended)**

#### **Planning and Compulsory Purchase Act 2004 (as amended)**

In accordance with the above regulations, notice is hereby given that the Minerals & Waste Joint Plan 2015–2030 and accompanying Policies Map was formally adopted by North Yorkshire County Council on 16 February 2022. This replaces in full the North Yorkshire Minerals Local Plan and the North Yorkshire Waste Local Plan.

The Minerals & Waste Joint Plan 2015 – 2030 was the subject of an independent examination conducted by Elizabeth Ord, Inspector appointed by the Secretary of State. The examination included public hearing sessions between January 2018 and February 2019. The Inspectors' Report was issued on 16 February 2022 and concluded that the Joint Plan is sound and legally compliant, subject to the Inspectors' main modifications pursuant to Section 20(5) of the Planning and Compulsory Purchase Act 2004.

The adopted Minerals & Waste Joint Plan 2015–2030 (February 2022) incorporates all the main modifications set out in the appendix to the Inspectors' Report, as well as the Authority's additional minor modifications to the Submission Plan. The adopted Minerals & Waste Joint Plan 2015–2030, Policies Map, Adoption Statement and Sustainability Appraisal Report can be viewed on the Authority's website at: [Minerals and waste joint plan examination | North Yorkshire County Council](#)

The Minerals and Waste Joint Plan 2015-2030 and accompanying documents can be viewed at the Authority's Offices at County Hall, Racecourse Lane, Northallerton DL7 8AH by appointment only. Copies will also be placed in local libraries (subject to any restrictions that may be in place).

Any person aggrieved by the adoption of the Minerals and Waste Joint Plan 2015-2030 may make an application to the High Court, under Section 113 of the Planning and Compulsory Purchase Act 2004, on the grounds that the document is not within the appropriate power of the local planning authority and/or a procedural requirement has not been complied with. Any such application must be made not later than 30 March 2022 (six weeks from the date of adoption). For further information, please contact the Planning Services by email [mwjointplan@northyorks.gov.uk](mailto:mwjointplan@northyorks.gov.uk) or by telephone on 01609 780780

## Hambleton Command: Town and Parish Council Report

Town or Parish:	Potto
Report Completed By:	PCSO 4337 Daniels
Data Reporting Period:	15 February 2022- 14 March 2022

### North Yorkshire Police Updates:

- **Stokesley Farmers Market:**

Officers from Stokesley Neighbourhood Policing Team will be at Stokesley Farmers Market on the third Saturday of every month from 9am the next one will take place on the **21<sup>st</sup> May 2022**.

- **Dot Peen Property Marking:**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools, computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be added to the waiting list.

- **Drugs Awareness:**

Stokesley Police would appreciate the assistance of our community in relation to drug use/supply. Information can be provided via 101, through Crime stoppers on 0800 555 111 or email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk).

Violence Against the Person:	1	1 x not relevant to meeting
Other crimes including Drugs:	0	
<b>TOTAL THIS PERIOD:</b>	<b>1</b>	

### North Yorkshire Police Updates:

- **Stokesley Farmers Market:**

Officers from Stokesley Neighbourhood Policing Team will be at Stokesley Farmers Market on the third Saturday of every month from 9am the next one will take place on the **21<sup>st</sup> May 2022**.

- **Dot Peen Property Marking:**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools, computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be added to the waiting list.

- **Drugs Awareness:**

Stokesley Police would appreciate the assistance of our community in relation to drug use/supply. Information can be provided via 101, through Crime stoppers on 0800 555 111 or email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk).

If anyone would like to report anything via email, our email address is:

**THE ENVIRONMENT ACT 1995**  
**The Hedgerows Regulations 1997**

Dear Sir/Madam

**PROPOSAL:** Application for removal of 190m of hedgerow  
**LOCATION:** OS Field 0078 Parson Back Lane Potto North Yorkshire  
(OS grid ref : Min East : 445939 Min North : 503758)  
**APPLICANT:** [REDACTED]

I have recently received a hedgerow removal notice relating to a hedgerow and a copy of the application form and plan for can be obtained using the following link [Public Access](#) and please enter the following application reference number into the search field **22/01472/HNA**.

I would be grateful if you would consider the proposal and submit your views to the Local Planning Authority within 21 days of the date of this letter, that is before 14 July 2022 .

You can view the leaflet that addresses many of the questions raised by the regulations by using the following link [The Hedgerow Regulations \(Your Questions Answered\)](#).

It is the criteria listed on the final page that must be addressed by the Local Planning Authority rather than the amenity value of the hedgerow and I would welcome any assistance you may be able to give.

If you wish to discuss the application further, please contact Mrs A Sunley on the following telephone number: 01609 767174.

Yours faithfully

Development Management  
Hambleton District Council

██

On behalf of North Yorkshire County Council, I am pleased to offer your organisation a grant of £1,000.00 towards the purchase and installation of a Jubilee Plaque and Parish map with Potto Parish Council, subject to your organisation accepting all of the following conditions:

1. The grant is only to be used for the projects or activities outlined on the recommendation from County Councillor Bridget Fortune. Any change to this must be agreed in advance by me in writing.
2. The grant cannot be used for projects or activities that have already been completed by the time the grant has been awarded.
3. You will manage the grant through the organisation's bank account (rather than an individual's personal bank account).
4. You will meet all relevant legislative requirements in respect of the projects or activities.
5. You will acknowledge receipt of the grant from the Council in all publicity relating to the projects or activities and in your annual accounts and report.
6. You will complete and return the monitoring form (to be sent) to the Council, with a statement of how the grant has been spent and how it has benefited the local community, within 12 months of the grant being awarded.
7. You will repay to the Council all of the unspent grant at the same time as returning the monitoring form.

8. If requested, within one month you will provide the Council with additional evidence to substantiate the monitoring form (for example copies of quotes and receipts for expenditure).
9. If satisfactory additional evidence has not been provided, or any other condition has been breached, you will repay to the Council all of the grant within one month.
10. You will allow the Council reasonable access to all records relating to the grant and the project or activity for at least four years after the grant has been awarded.
11. The Council may publish information about this grant including the name and contact details of the organisation receiving the grant, the amount paid, the purpose for which the grant is made, how the grant has been spent, and how it has benefited the local community.
12. The grant will not be used for projects or activities that:
  - a. are unlawful or undermine the Council's or a partner's priorities or service delivery.
  - b. will only benefit an individual or an individual family or a private business;
  - c. support political parties or trade unions or employers' associations or groups affiliated with any of these;
  - d. support lobbying;
  - e. seek to promote a faith or belief as their main purpose;
  - f. are contrary to the Council's equality and diversity policy; or
  - g. actively or vocally oppose fundamental British values.
13. You will not use the grant to support expenditure on VAT reclaimable by you from HM Revenue and Customs.

If you want to accept the grant, two officers authorised by your organisation must sign and return one copy of this letter, within three months of the date of this letter to the Council, together with details of your bank account.

Yours sincerely,

Neil Irving  
Assistant Director Policy and Partnerships

---

**REF: LB6\100140**

We, being authorised on behalf of the organisation, agree to and accept the above terms relating to the provision of the grant:

## **Parish precept – arrangements for the financial year 2023/24**

As you are probably already aware there will be a new single council in North Yorkshire from 1 April next year, providing all the services you are used to receiving. The new North Yorkshire Council will replace the seven district and borough councils as well as the county council. All eight councils are working together to make sure that the services you value continue as usual when North Yorkshire Council comes into being.

Having one council means services can be strengthened and joined up to improve the quality of life and opportunities for people across North Yorkshire. It will also save money by reducing duplication to put back into frontline services and support local priorities and decision-making.

The process for setting council tax for 2023/24 is now underway. Despite the changes to local government in North Yorkshire, I will continue to be your key contact and I am writing to you now on behalf of North Yorkshire Council to ask for your help and your co-operation.

### **Parish precept**

Part of the budget process requires parish councils to inform North Yorkshire Council of their precept amount for the following year. Although the council tax amount will not be set until February 2023, I am writing to you now because it would be extremely helpful if you could confirm your precept amount by **31 December 2022**.

Hopefully this early notification gives you enough time to assess your own expenditure requirements for the forthcoming year and seek parish council approval. If you are unable to provide this information by 31 December 2022, I would be grateful if you could let me know when you expect to be in a position to do so.

You should also be aware that North Yorkshire Council, as Billing Authority, will have the power under regulations made under Section 41 of the Local Government Finance Act 1992 to “anticipate” a parish precept where one has not actually been received. If your parish does not wish to set a precept for 2023/24 a “Nil” return would also be appreciated.

You can provide your information by one of the following methods:

1. By email to [ian.godfrey@hambleton.gov.uk](mailto:ian.godfrey@hambleton.gov.uk).
2. By completing and returning the parish council precept form attached at Annex A using the details on this letter.

### **Council tax setting**

In the past, there has been confusion in some areas over the role of the parish councils in the setting of the council tax in relation to their own parish councils.

In summary, the role of the parish council is to determine the amount that they require to precept upon to cover the net cost of their services.

OFFICIAL

To assist parish councils in setting next year's precept it is our intention to issue a simple spreadsheet, which will allow you to calculate % uplifts and the resulting council tax charges by band, should you wish to use it. The spreadsheet will be provided to you, along with your tax base figure and instructions via email, by 30 November 2022. If you have not received this letter by email please can you provide an email address for the spreadsheet to be sent to.

A finance representative will be attending the parish council webinars planned for 28 and 30 November to explain how to use the spreadsheet and to answer any queries that you might have on the precept setting process.

### **Precepting arrangements**

North Yorkshire Council (as Billing Authority) is required before 31 December of each year to consult precepting authorities on the proposals for payment of the precepts. I am proposing that the council pays parish precepts for 2023/24 in two equal instalments by 28 April 2023 and 29 September 2023. The exception to this proposal will be any parish which precepts for less than £5,000, when the precept will be paid in full on 28 April 2023. If you have any comments or suggestions on this proposal, please let me know your views by 31 December 2022. My contact details are at the end of this letter.

The proposal is that precepts will be paid by bank transfer direct to your parish bank account. If your details have changed, please complete the attached BACS form at Annex B.

I hope that this information is helpful and that you will be able to confirm your estimates for 2023/24. However, if you have any queries please do not hesitate to contact me using the details below.

Yours faithfully

Ian Godfrey  
Finance Team Leader  
Hambleton District Council

Tel: 01609 767027  
Email: [ian.godfrey@hambleton.gov.uk](mailto:ian.godfrey@hambleton.gov.uk)

**PARISH COUNCIL PRECEPT**

**LOCAL GOVERNMENT FINANCE ACT 1992**

**Name of Parish Council** .....

To the North Yorkshire Council, being the Billing Authority, the Council/Meeting of the above mentioned Parish give notice that in respect of the financial year beginning on the first day of April 2023, the Parish will require the sum of

**£** \_\_\_\_\_.

This is the amount required to meet the general expenses of the Council/Meeting applying to the whole of the Council/Meeting area, in accordance with Section 41 of the Local Government Act Finance 1992.

The Council/Meeting understands that payment of the precept will be made in two instalments as follows:

- 1) 50% (one half) of the amount due no more than 30 days after the beginning of the financial year - 28 April 2023; and
- 2) 50% (one half – the remainder) of the amount due no more than 6 months after the beginning of the financial year - 29 September 2023

unless the precept is less than £5,000 in which case it will be paid in full on 28 April 2023.

Signed on behalf of the above mentioned Parish Council/Meeting

.....  
Parish Clerk

# POTTO PARISH COUNCIL

District  
Hambleton

County  
North Yorkshire

01/11/2022

## REPORT ON PROPOSED BUDGET FOR 2023-24

The following report details the proposed budget for Potto parish council for the financial year 2023-24 which will form the basis of our precept request to the unified North Yorkshire council.

This report has been prepared in a time of financial instability for both the private and public sector as a whole, inflation is rising markets are uncertain and North Yorkshire is undergoing a period of radical reform in its local government. It is within this context that this budget has been prepared as can be seen in Table 1.

### Expenditure

The following expenditure is planned for the 2023-24 financial year.

Salaries	These are in line with NALC 2022-23 National Salary Award as agreed by PPC in 2022.
Travel Allowance	None
Petty Cash	No petty cash expenditure anticipated.
Insurance Premium	Remains at 2022 level, however this is expected to rise due to inflation,
Village Hall Costs	Expected to remain the same.
Grass Cutting	Expected to increase due to fuel increases.
YLCA Subscription	Expected to remain the same.
Clerks & Councils	A small increase is anticipated.
SLCC Subscription	A small increase is anticipated.
CPRE Subscription	A small increase is anticipated.
Whorlton PCC	Remains at £250.
External Audit	Expected to remain at £240
Internal Audit	A small increase is anticipated.
Audit Investigation	A contingency of £ 2000 has been included.
Road Salt	£100 included to bolster stocks.
Pride in Potto	£50 allocated for trough planting
Footpath Strimming	Included in Village improvements
Printing	Expected to remain the same.

Table 1.

Elections No elections expected in 2023.

Contingency A contingency of £40 has been included.

IT Services & Equipment	£250 included for licences etc.
Queens Jubilee	Included in Village Improvements
Training	£50 included for training
Defibrillator	£40 included for maintenance
Speed Sign	£40 included for maintenance

## Potto Precept Calculations

The following tool provides the calculations as per the HDC guidelines.

### Parish Precept calculator

POTTO

#### Notes on Completion

To utilise this spreadsheet you only need to amend the two cells coloured **green**

Firstly, click in Cell C1. Click on the arrow and scroll to select the relevant Town / Parish Council from the pick list.

Secondly, input your precept requirement into cell C18 (this initially defaults to 2022/23 Funding requirement until the formula is overtyped). This can be amended numerous times to see the effect that different precepts have on your residents bills (both £ and %)

#### This section outlines the Funding Requirement of the Parish Council

Year	2023/24	2022/23
	This section can be amended to set the precept for next year	This section is for information only and provides details on the current year
Precept Requirement	£8,000.00	£7,500.00
Band D Equivalentents	152.83	152.99
Band D Charge	£52.35	£49.02

#### This is the percentage change in precept paid that will appear on residents annual bills

% Council Tax Increase based on the proposed precept	6.78%	Increase in Council Tax
£ Council Tax Increase based on the proposed precept	£3.32	Increase in Council Tax

#### This section shows the headline charge per band (before any discounts / exemptions etc)

Band	Projected 2023/24 Charge	Current Charge per Band
Band A	£34.90	£32.68
Band B	£40.71	£38.13
Band C	£46.53	£43.58
Band D	£52.35	£49.02
Band E	£63.98	£59.92
Band F	£75.61	£70.81
Band G	£87.24	£81.70
Band H	£104.69	£98.05

#### Queries

If you have any queries on this spreadsheet or on how amending your Precept affects the charges for your residents please contact us.

## **Contingency and Reserves**

PPC is currently appealing the external auditors' fees and PIR, there is £10,000 pounds set aside as contingency for this, however the auditors fees are around £37,000 inc VAT.

This constitutes the greatest risk to the parish council and as such is constantly under review.

Discussions are on-going between PKF Littlejohn and HDC to resolve this.

An additional £2000 has been included in the budget for 2023-24

PPC is cognisant of the current inflation rate in the UK of around 10% and the proposed budget figures reflect this increase.

The proposed precept for Potto Parish Council for the financial year 2023-24 is £8,000

This report is proposed for adoption for 2023-24

Regards,

Mrs Joanne Storey

Finance Officer – Potto Parish Council

## Hambleton Command: Town and Parish Council Report

Town or Parish:	Potto
Report Completed By:	PCSO SNOWDEN 3884
Data Reporting Period:	18/10/2022 – 15/11/2022

### Crime and ASB Data:

Qualifier:	No of Incidents:	
Anti-Social Behaviour:	0	
Auto crime:	0	
Burglary:	Commercial: 0	Residential: 0

# An update on North Yorkshire Council

## Briefing note December 2022

With fewer than four months to go and as a valued partner, we would like to update you on the good progress we are making to ensure the smoothest possible transition from the current eight councils in North Yorkshire, to the new single North Yorkshire Council. North Yorkshire Council comes into being on 1 April next year and if you live in the county you will start to see and hear much more about it from late January onwards. An awareness campaign will help people to understand what's changing, why, and how to get in touch online, on the phone and face-to-face. There will be a single website, a single telephone number and a single set of social media feeds. This approach will make it easier for people to get in touch. There will also be a main office in every former district area, supported by around 30 additional customer access points across the county.

The 90 members elected by the public in May 2022 will continue to represent their divisions for a further four years from 1 April 2023. The Executive, working as a 'shadow executive' for the new council has already taken a number of **key decisions, some of which are summarised below:**

Decision	Link
Agree the Devolution Deal and Commence Consultation	<a href="#">Issue details - Agree the Devolution Deal and commence consultation   North Yorkshire County Council</a>
Electric Vehicle Rollout Strategy – To Seek Approval to Open a Public Consultation	<a href="#">Issue details - Electric Vehicle Rollout Strategy   North Yorkshire County Council</a>
Council Tax Reduction Scheme	<a href="#">Issue details - Council Tax Reduction Scheme   North Yorkshire County Council</a>  <a href="#">Issue details - Council Tax Reduction Scheme   North Yorkshire County Council</a>
Council Tax Harmonisation	<a href="#">Issue details - Council Tax Harmonisation   North Yorkshire County Council</a>

## An update on North Yorkshire Council

Council Tax Premium on Second Homes	<a href="#">Issue details - Council Tax Discounts &amp; Premiums - Second Homes   North Yorkshire County Council</a>
Taxi Licensing Paper	<a href="#">Issue details - Taxi Licensing Policy and Conditions   North Yorkshire County Council</a>
Proposal for Double Devolution/Process for the Consideration of Identifying Pilot Town/Parish councils	<a href="#">Issue details - Double Devolution - process for the consideration of identifying pilot town/parish Councils   North Yorkshire County Council</a>
Decision on whether to proceed with a Community Governance Review	<a href="#">Issue details - Community Governance Reviews relating to the unparished town centres in Harrogate and Scarborough   North Yorkshire County Council</a>

**Keeping things local** – On top of the commitment to retain a main office in each former district area and to continue to have staff living and working in the communities they serve, you will see from the above list that we are also progressing our approach to locality. The Executive will consider the findings from the initial public consultation and next steps regarding the potential creation of town councils for Harrogate and Scarborough on 10 January. An invitation has been issued to recruit a small number of town and parish councils to work with us on a double devolution pilot scheme and we are progressing our approach to ‘Community Networks’. Around 30 Community Networks will bring together local councillors, public sector agencies, communities and businesses to get things done in their local area. A paper will go to the Executive in February.

**The structure of the new council** is taking shape, including the appointment to some of the most senior roles as detailed below.

**Chief Executive for North Yorkshire Council** – many of you will already be aware that I have been appointed to this role. I will be overseeing about 10,500 staff, excluding schools, and our new council will deliver the essential public services currently provided by the eight councils operating across England’s largest county. I will also be responsible for overseeing a budget of £1.4 billion. I was born in Scarborough and I have been the chief executive of North Yorkshire County Council since 2010, after joining the authority in 1987. During my extensive career at the county council, I have been employed as a trainee trading standards officer, the assistant head of trading standards and regulatory services, the assistant director for business and community services and the assistant chief executive for policy, performance and partnerships. My final role before becoming chief executive was as the corporate director of business and environmental services from 2008 to 2010.

---

## An update on North Yorkshire Council

**Gary Fielding – Corporate Director of Resources** – Gary has been the county council’s corporate director for strategic resources for 10 years with responsibility for finance and discharge of the s151 officer role as well as being treasurer of the NY Pension Fund. He also has corporate responsibility for information technology, property, procurement and contract management as well as change management, customer services and commercial services.

**Trudy Forster – Assistant Chief Executive HR and Business Support** – Trudy has been the assistant director of HR for North Yorkshire County Council for five years, four of which were spent on secondment to City of York Council as head of HR and organisational development. Prior to that Trudy worked at Durham University for 12 years as assistant director of HR. She is a fellow of the Chartered Institute of Personnel Development.

**Barry Khan – Assistant Chief Executive for Legal and Democratic Services** – Barry has been the assistant chief executive for legal and democratic services for North Yorkshire County Council for eight years and a statutory monitoring officer for more than 19 years. He has extensive experience of implementing and maintaining a high standard of corporate governance across councils, including at a district and a unitary council level. Barry’s team has also been providing legal services to Ryedale and Selby district councils.

**Rachel Joyce – Assistant Chief Executive for Local Engagement** – Rachel is currently the director of corporate affairs for Harrogate Borough Council and has a broad portfolio including partnerships and locality working, policy and performance, community safety, communications and engagement, IT, emergency planning and business continuity, finance and legal. Rachel was also one of the lead officers behind the development and implementation of Durham’s successful Area Action Partnerships, which lead the county’s community engagement mechanisms.

**Richard Webb – Corporate Director of Health and Adult Services** – Richard has been corporate director for health and adult services in North Yorkshire since March 2014, with responsibility for public health and adult social care. Prior to that he has held director roles at Sheffield City Council and Telford and Wrekin Council and has also led on housing, culture and leisure, libraries, regulatory services, community safety and community development and cohesion. He is national co-chair of the County Councils Network’s Health and Social Care Forum. Richard started his career as an NHS management trainee at the Royal Victoria Infirmary in Newcastle-upon-Tyne and has also worked in the NHS and local government in Gateshead and Stockton-on-Tees. He lives in Harrogate.

**Stuart Carlton – Corporate Director of Children and Young People’s Service** – Stuart has been the corporate director for the Children and Young People’s Service in North Yorkshire for over five years now. The service is responsible for a wide range of education, inclusion, early help and social care services for children and young people. He has over 35 years’ experience of varied operational and strategic management across children’s services, for local authorities and national charities. He is also a board member for the Association of Directors of Children’s Services, currently holding the post of honorary treasurer.

---

## An update on North Yorkshire Council

**Karl Battersby – Corporate Director of Environment** – Karl has worked in eight local authorities across his 28-year career in the public sector. With a background in planning and a member of the Royal Town Planning Institute, he joined the county council in November 2020 and is currently the corporate director for business and environmental services. Prior to North Yorkshire, he held corporate director roles in three large unitary councils; Kirklees, Wigan and Rotherham. Karl chairs the Yorkshire and Humber ADEPT Board (Association of Directors of Environment, Planning and Transport) and the York, North Yorkshire and East Riding and Hull Directors of Development.

An external recruitment process is currently under way to appoint a corporate director of community development. This role includes overseeing the planning, economic development, tourism, skills, arts and culture, leisure and housing functions.

Good progress is also being made on the appointment to the roles at assistant director level and we will be announcing who will take on these roles in the next week or so.

### Listening to the communities we serve

While it will be the largest council geographically in England, North Yorkshire Council aims to be the most local. There is a clear commitment to work with town and parish councils, the community and voluntary sector, health and emergency services and other partners to maximise the value of every North Yorkshire pound and to support and empower communities to drive local action and local priorities.

The start of the conversation with communities about how they would like to work with the new council is also well under way. The Let's Talk exercise is a clear statement of intent that the new council is keen to listen to, and work with, the people and communities it serves at a very local level. The valuable feedback we take from Let's Talk will underpin a number of key policies and strategies and inform the development of our local approach. Some highlights from the activity to date are below.

### Results as of 12 December –

- Over 7,500 people have completed the Let's Talk surveys
  - Let's Talk Local: 3,779 responses
  - Let's Talk Money: 2,381 responses
  - Let's Talk Devolution (North Yorkshire data only): 1,358 responses
- Over 2,500 new subscribers to the platform
- Achieved 143% of the target of 5,000 responses
- Over 200 face-to-face events held across North Yorkshire
- The Let's Talk engagement programme has been supported by staff from all eight councils.

**Being inclusive** This engagement campaign is far reaching and inclusive. Among the many settings we have taken the conversation are the Supermobile Library to access some the most rural areas, 'Learn to Swim' sessions and play and stay sessions to speak with parents, slipper socials, W.I. meetings, Park Runs, Veterans' Breakfasts; Dementia Friendly Meetings, Keyring Self

---

## An update on North Yorkshire Council

Advocacy Meetings, Tadcrafters, foodbanks, Tara Park Traveller sites, Coventry University Scarborough Campus and a Fijian and Nepalese community event. We have also had the survey translated into Polish, Ukrainian, Romanian, Thai, Urdu, Arabic and Fijian.

**What happens next?** The **Devolution consultation closes today (16 December)**, followed by **Local and Money, which both close on 23 December**. All data will be analysed by experienced consultation and data officers and a full technical report will be compiled.

The results will be available in early 2023. Thank you to everyone who has supported this engagement programme.

**Cost of living support** – We're delivering a cost of living campaign together with borough and district councils, community groups and other partners to help those in need with the cost of living crisis this winter. The aim is to raise awareness of all the support for residents during this period of heightened costs. We will be doing this by driving residents online to our [cost of living support page](#) on the county council website, and in person to community hubs and libraries. We will be using our social media channels and have information available at libraries, Citizens Advice North Yorkshire and a variety of community groups.

This includes advice on money, debt, benefit entitlement, free school meals and childcare costs as well as information about free wi-fi, digital support, travel and transport. The [cost of living page](#) also has information about energy saving, foodbanks and community-based support, including Warm Welcome Spaces and local schemes. If you would like to support the campaign you can do so by sharing our social media posts on Facebook and Twitter using the hashtag #costoflivingsupport. We also have printed leaflets available at County Hall for distribution, which you could take to share with residents in your local area. These are available from the communications team office. You can also request leaflets or social media content and assets by contacting [media@northyorks.gov.uk](mailto:media@northyorks.gov.uk)

**Household Support Fund** – As well as the cost of living campaign we're also delivering a third phase of the Household Support Fund in partnership with borough and district councils, working together to help people across the county with essential living costs. For this third phase, the eligibility criteria has been updated based on guidance from the Department for Work and Pensions so that we can help people who missed out on other government support. Everyone who is eligible will get a single Household Support Fund e-voucher to pay for food and other essentials over the coming months.

People who were getting housing benefit on or between 26 August and 25 September 2022, but did not qualify for the second cost of living payment for people on low income benefits or tax credits, will receive a single e-voucher for £325. The second cost of living payment was paid in November to people getting Universal Credit, Income Support, Pension Credit, income-based Jobseekers Allowance, income-related Employment and Support Allowance, Child Tax Credit and Working Tax Credit. Secondly, anyone getting the maximum discount to pay their council tax bill through the means-tested Council Tax Reduction Scheme as of 30 November 2022 will receive a single e-voucher for £85. We're working closely with borough and district councils to get e-voucher payments to people as quickly as possible and everyone who is eligible will receive a letter by 16 January 2023 letting them know how to claim.

---

## An update on North Yorkshire Council

As well as the direct award set out above, £625,000 has been awarded to three key areas. The North Yorkshire Local Assistance Fund (NYLAF), Warm and Well in North Yorkshire and 16 foodbanks or food projects. These can be accessed now by residents who may struggle to afford basic necessities. Find more information, including the updated eligibility criteria and the amounts people will receive, at <https://www.northyorks.gov.uk/household-support-fund>. The web page will be updated in early January to include FAQs, a link to claim the e-voucher and our online eligibility checker. People who are less confident with technology will be able to talk to a member of the customer service centre team at the county council and all North Yorkshire libraries.

In the meantime, anyone who is struggling to pay for food, energy and other essentials will find information about support schemes and organisations which may be able to help on our cost of living support page mentioned above.

**All partner webinar** – More than 200 of you took the time to attend our all partner webinar in October and we are very grateful for your time. The questions raised and answers are published, along with a recording of the presentations here <https://www.northyorks.gov.uk/all-partner-webinar>

We would like to take this opportunity to thank all of you for the support and strong partnership working you have afforded the county, district and borough councils over the years. We have very solid foundations to build on.

**Looking ahead** – This is an exciting and challenging time for North Yorkshire, with a potential devolution deal and a new single council. In making this big change to local government here and pursuing the benefits of Devolution alongside it, we will be better placed to tackle the big financial pressures we are facing. There will remain many challenges and tough decisions, but I very much hope we will continue to face these together.

Wishing you a happy festive period and peaceful New Year. I look forward to working with you and reporting further progress in 2023.

Best wishes,

Richard Flinton

Chief Executive, North Yorkshire County Council and

Chief Executive North Yorkshire Council (from 1 April 2023)

Dear [REDACTED]

### **Complaint against Potto Parish Councillor I Macpherson**

I refer to the above matter and I apologise for the delay in providing this response.

Your complaint has been assessed in accordance with the Council's Members Code of Conduct Allegations Procedure and Potto Parish Council's Code of Conduct.

Cllr Macpherson has responded to the allegations and his representations have also been considered in assessment of your complaint (copy attached).

In summary you allege that Cllr Macpherson breached the Code of Conduct by failing to treat you and your family with respect, by acting in a bullying and intimidatory manner, and by disclosing confidential information.

Broadly, your complaint can be broken down into the following points:

1. You allege that Cllr Macpherson visited your property unexpectedly on 3 August 2022 and displayed overt intimidation, anger and agitation towards your wife (you were not at the property at the time). You have referred to an external auditor's Public Interest Report recently published in respect of the Parish Council and conclude your involvement with matters reported to the auditor as the motivation for Cllr Macpherson's visit.
2. An email exchange between you and Cllr Macpherson followed the visit. You allege that Cllr Macpherson's use of the phrase "man to man" was a veiled threat of physical confrontation and you refer to the expression "Grow up" as a further example of a breach of the Code of Conduct.
3. You state that, during Cllr Macpherson's visit he disclosed confidential information. You allege that Cllr Macpherson did this by attending your property and "requiring to speak to [you] about the business of the council".

You have stated in correspondence that you have referred the matter to the Police for investigation and that the Police's involvement has now concluded. You set out, in a letter dated 9 October 2022, your understanding of the interaction between the police and Cllr Macpherson (including an interview that was undertaken). You have also presented your observations on the responses given by Cllr Macpherson during that interview and the contents of a letter which it is stated was sent by a Police Officer to the Parish Council.

Cllr Macpherson has provided his representations in respect of the matter. In summary:

1. Cllr Macpherson states that the visit to your property was as a former friend and not in his capacity as a parish councillor or on behalf of anyone on the Parish Council.
2. Cllr Macpherson denies being aggressive or intimidating. Cllr Macpherson states that he had no malicious or aggressive intentions towards anyone but that he was seeking to speak to you about your actions towards the Parish Council and those on it.
3. Cllr Macpherson states that on reflection the visit to your property was a mistake.

Having reviewed your complaint and subsequent correspondence (including the record of the Police involvement), Cllr Macpherson's response, the Parish Council's Code of Conduct and the relevant legislation I have reached the following views (taking each element of the complaint as numbered above):

1. It appears in dispute whether Cllr Macpherson visited your property within his private or official capacity.

On balance I have found that Cllr Macpherson, by visiting your property with the intention to speak to you about Parish Council matters, had attended in an official capacity and therefore the Code of Conduct was engaged.

Turning to the visit itself. You allege that during the visit Cllr Macpherson had an aggressive tone, intimidatory stance and stressed body language. In considering your complaint I wrote to you on 5 October 2022 asking if your wife could provide an account of the interaction that occurred on 3 August 2022. In your response on 6 October 2022, you refused this request, stating that the apology provided by Cllr Macpherson (as contained in two emails) is a satisfactory conclusion to the matter and that this is your complaint and your wife does not wish to become further involved. You also state that Cllr Macpherson's apology to your wife demonstrates that his behaviour was as alleged.

Cllr Macpherson repeatedly denies (both in his response to me and those emails sent to you directly) being aggressive or intimidatory, or of having any intention to be aggressive or harass anyone during his visit to your property.

Having reviewed the information before me there is very little evidence of the factual specifics of the interaction between Cllr Macpherson and your wife. Having considered the emails and the representations of the parties I do not agree that there is sufficient evidence that the provision of Cllr Macpherson's apology was an acceptance of being aggressive or intimidatory. As there is very limited factual evidence of the events pertaining to Cllr Macpherson's alleged behaviour during his visit, and taking into account my conclusions in respect of Cllr Macpherson's apology, I find, on the balance of probability, that there is insufficient information to provide an arguable case that there has been a breach of the Code of Conduct.

2. In your complaint you state that the language and phrases used by Cllr Macpherson in his emails is contrary to the Code of Conduct and included a veiled threat of physical confrontation. In particular you refer to the use of “Grow up” and “man to man”. I have reviewed the email exchange and find that your initial email dated 3 August is of a tone which appears angry and upset following Cllr Macpherson’s visit to your property. In your initial email you link Cllr Macpherson’s visit to the Public Interest Report published in respect of the Parish Council and you make a series of comments regarding the lawfulness or otherwise of the Parish Council’s actions. Cllr Macpherson’s response, also dated 3 August, is, in my view fairly conciliatory in tone. Your second email (dated 17 August) makes further surmises on Cllr Macpherson’s response (or lack of) to your email of 3 August and states that the matter will be escalated to the appropriate authorities. Cllr Macpherson responds with a further two emails both dated 17 August which includes the phrases “Grow up” and subsequently “If you would like to come and speak to me man to man I’d be [...] happy to accommodate you”.

Subsequently, you issued complaints first to the Police and then to the District Council. The Police’s input (as presented in your letter dated 9 October 2022) records that Cllr Macpherson told the Police Officer that his use of the phrase “man to man” was in respect of holding an in-person meeting rather than a threat of physical confrontation. You state that you do not accept that explanation.

I note that the record of the Police’s involvement includes reference to an in-depth discussion between the officer and councillor about the perception of a threat by Cllr Macpherson. As a result of which Cllr Macpherson stated that he will not seek further in-person contact or make unannounced visits. Finally your letter states that the Police Officer concluded his involvement by writing to the Parish Council to advise its members against visiting your property without prior agreement, not to seek in person meetings with you or your family, to remind its members about their obligations under the Code of Conduct and to remind the Parish Council about its duties under the Localism Act 2011 to promote high standards of conduct. You have also directed me to a reference to a letter contained in the Parish Council’s minutes of its October 2022 meeting.

Having reflected on the email exchange (including the tone and language used by both authors) I conclude that whilst some of the language used by Cllr Macpherson during the email exchange was agitated I am not satisfied that, taking into account the Police’s investigation and subsequent actions, anything more can be achieved from putting this forward for investigation by the Standards Hearings Panel.

3. You allege that Cllr Macpherson disclosed confidential information by informing your wife that he wanted to speak to you about Parish Council business. I cannot see that this generic request disclosed anything of a confidential nature and there is no other information before in respect of this conversation or alleged disclosure. Therefore, I find, on the balance of probability, that there is insufficient information to provide an arguable case that there has been a breach of the Code of Conduct.

In accordance with paragraphs 4, 6 and Annex B of the Member Code of Conduct Allegations Procedure, the District Council may decide not to refer a complaint for investigation where there is not an arguable case that there has been a breach of the Code of Conduct and where an allegation has been subject to investigation or action by another regulatory body and it is considered that there is nothing more that can be gained by taking further action. Therefore, for the reasons given above, your complaint will not be referred to the District Council’s Standards Hearings Panel.

The Independent Person has been consulted on this matter and he also concluded that your complaint should not be referred to the Standards Hearings Panel. I note that in your complaint you asked to be

provided with a copy of the Independent Person's comments. I am seeking advice from the District Council's Data Protection Officer on your request and therefore I will contact you separately in due course.

Yours sincerely,

**Laura Venn**
