**EB**

### **4. Finance**

As of January 2023

Metro Bank Current Account £5383.32

Metro Bank Instant Access Savings £11,536.27

There has been no communication from HMRC since we wrote to them in June 2021. We must assume that we have been de-registered and are not liable for any charges.

YCL paid £380 for Water colour Class – 20/12/22

YCL Paid £28.50 Van Gough Class – Dec 2022

YCL Paid £114.00 Crochet Class – Jan 23

New Cutlery ordered and delivered - £681.00

EON - Default plan ending in September – We have automatically been put on the 'Business Tariff' – Annual cost £937.00.

We` are currently paying £36 pm DD - that equates to 30% more than last year. We are £300 in arrears.

Eon have informed us of EBRs – we will be put on a lower rate of KW PH for electricity from October – March 2023

## 5. 100 Club

1<sup>st</sup> Prize      Dav & Fiona Wilson  
2<sup>nd</sup> Prize      Rod & Sue Hill

**8. A.O.B**

Phil Harper our Chairman is to stand down at the next AGM in 2023.

Broadband for the Village Hall - I have emailed BT – awaiting reply

**KF**

New White serving dishes of various sizes needed for the hall so they are all the same when we hold functions. Julie found some we all liked. We will do a stock take at some point to see how many we need.

**JS ALL**

**Next meeting date: Tuesday 7<sup>th</sup> February 2023 @ 7.00pmat Julies House**

## Hambleton Command: Town and Parish Council Report

|                        |                        |

| TOTAL THIS PERIOD:            | 0                |                |

### North Yorkshire Police Updates:

- **Stokesley Farmers Market:**

Officers from Stokesley Neighbourhood Policing Team will be at Stokesley Farmers Market on the third Saturday of every month from 9am the next one will take place on the **4<sup>th</sup> February 2023**.

- **Dot Peen Property Marking:**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools, computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be added to the waiting list.

- **Drugs Awareness:**

Stokesley Police would appreciate the assistance of our community in relation to drug use/supply. Information can be provided via 101, through Crime stoppers on 0800 555 111 or email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk).

- The Neighbourhood policing team are trying to engage with communities. If possible, could a list of coffee mornings or other community meetings be sent to us with contact numbers to make arrangements? If this service is not wanted, please could you inform us.

If anyone would like to report anything via email, our email address is:  
[SNAstokesley@northyorkshire.pnn.police.uk](mailto:SNAstokesley@northyorkshire.pnn.police.uk)

## Foreword/Welcome

### **FOREWORD: REPRESENTATIVES FROM PARISH COUNCILS INVOLVED IN THE CO-PRODUCTION OF THE DRAFT CHARTER**

The Working Group is pleased to support this Charter which seeks to set out the arrangements for partnership working between the new North Yorkshire Council and local City, Town and Parish Councils and Parish Meetings. Each is responsible for providing local services to the residents of North Yorkshire and we recognise that close working relationships between North Yorkshire Council and their senior officers can only lead to better delivery of these services for our residents.

The development of this Charter is just a starting point and further work will be undertaken as the new Council works to bring together the operations of the former county, district and borough councils.

Whilst it remains the right of each parish sector council or meeting to determine whether or not it wishes to support the principles identified within the Charter, the potential benefits to local communities should encourage all parishes and North Yorkshire Council to work collaboratively.

*The working group is made up of Town and Parish Councillors nominated by YLCA branches in Craven, Hambleton, Harrogate, Richmondshire, Ryedale, Scarborough and Selby. Along with the Yorkshire Local Councils Associations Team Support and Member Liaison Officer and a representative from the Society of Local Council Clerks. The group has been supported by the Yorkshire Local Councils Associations and a small team of officers from different teams and councils.*

## **FOREWORD: LEADER OF NORTH YORKSHIRE COUNCIL**

Parish and Town Councils and Parish Meetings are an important part of local government and have a vital role in acting on behalf of the communities they represent. North Yorkshire Council is committed to working with Parish and Town Councils and Parish Meetings across the county to connect with local communities, understand their needs and respond to their priorities.

This Charter has been developed in partnership with representatives of Parish and Town Councils and Parish Meetings in North Yorkshire and sets out how we will work together for the benefit of our communities. There is much work still to do to bring together the operations of all the eight councils involved in Local Government Reorganisation in North Yorkshire and new working arrangements will develop over time. The Charter recognises this and commits North Yorkshire Council to developing and reviewing areas and working arrangements for inclusion in the Charter in more detail.

I am delighted to support this Charter and look forward to working closely with our Parish and Town Councils and Parish Meetings as leader of the new North Yorkshire Council.

*Councillor Carl Les*

*Leader of North Yorkshire County Council (will lead North Yorkshire Council)*

## 1.0 Context – Local Government Reorganisation

- 1.1 The new unitary North Yorkshire Council will be formed on 1 April 2023, following Local Government Reorganisation, which will result in the abolition of North Yorkshire County Council and seven District/Borough Councils.
- 1.2 The new Council has set out its aim to work in new ways, offering:
- Improved efficiency and effectiveness of local government services
  - Reduced duplication, bringing together services and making savings
  - A local office in every district area
  - A range of local customer access points across North Yorkshire
  - A council of 90 councillors, representing 89 new divisions
  - Six local area committees
  - New community partnerships to support the needs and aspirations of towns and surrounding areas
  - New ways of working with, and empowering the parish sector
- 1.3 In working to establish the new Council, the importance of the parish sector and the need for effective partnership working to achieve its vision and aims as set out in its newly adopted Corporate Plan has been recognised from the outset.
- 1.4 The development of a Parish Charter, to define the relationship between North Yorkshire Council and the parish sector and set out how the principal authority and parish authorities will work together in partnership, was seen as a priority in the work leading up to vesting day, 1 April 2023. It is recognised that there is still much work to do to bring together the operations of all the eight councils including an ongoing programme of transformation beyond the new Council's start date in April 2023.
- 1.5 It is not possible to finalise detailed working arrangements with the parish sector at present as these will be transformed over time. It has therefore been agreed that the development of this Charter should be a staged process, with ongoing consultation with the parish sector and learning from experiences during the first months of operation of the new Council. These will then be incorporated in the Charter through a regular review, monitoring and update process.
- 1.6 It is recognised that there are a number of key areas that North Yorkshire Council and the parish sector will wish to develop more detailed working relationships. These include, but are not limited to, the following:
- Parish Sector Elections and Polls
  - Financial Arrangements
  - Planning
  - Community Services – such as highways, street lighting, grass cutting, local assets
  - Resilience planning/emergency response e.g., flooding

- 1.7 It is also recognised that this document is very much a working document, therefore commencing within the first six months of its operation, and on an on-going basis North Yorkshire Council commits to developing and reviewing these and other areas for inclusion in this Charter in more detail.
- 1.8 This document is the culmination of the first stage in this process and sets out a number of key principles by which North Yorkshire Council will work with the parish sector in their areas. It also sets out further stages in the process by which a more detailed Charter will be agreed, reviewed and updated on a continuing basis.

## **2.0 Introduction**

- 2.1 At the time of writing of this Charter, there are currently 731 parishes in North Yorkshire. There are also a number of parish meetings without a parish council. In some areas small parishes may work together with neighbouring parishes to run a grouped, joint or common parish council. Parish councils may be created in accordance with legislation and local community demand. All parish sector authorities are parish councils but can choose to alter their style (e.g., town or city council) but they all have the same role. In this document the term the 'parish sector' is used to encompass all these various arrangements.
- 2.2 The parish sector is the first tier of Local Government in England, with Members elected every four years. They have a range of powers and are principally funded by an annual precept.
- 2.3 The purpose of this Charter is to define the relationship between North Yorkshire Council and the parish sector. It has been designed to facilitate effective partnership working and understanding between the two tiers of local government within North Yorkshire at a time of significant change.
- 2.4 It sets out a framework for defining and developing joint principles to enable North Yorkshire Council and the parish sector to work effectively together to improve the economic, social and environmental well-being of North Yorkshire.
- 2.5 North Yorkshire Council acknowledges that the parish sector is the grassroots level of local government. The parish sector acknowledges the strategic role and responsibilities of North Yorkshire Council. The parish sector and North Yorkshire Council recognise each other as independent authorities legitimised through the democratic process and legal independence.
- 2.6 North Yorkshire Council supports and encourages the development of the parish sector as democratically accountable bodies having local governance responsibilities and local representational authority to shape the decisions that affect their communities. North Yorkshire Council recognises the potential for the devolvement of appropriate services and decision-making responsibilities and will support this devolvement by mutual agreement to the parish sector. This will be where the sector has the ability to discharge them, where it is cost neutral to North Yorkshire Council and where it is appropriate.

- 2.7 North Yorkshire Council will encourage the parish sector to adopt recognised good governance standards. These include standards set by National Association of Local Councils in their Local Council Award Scheme.
- 2.8 The parish sector will ensure that North Yorkshire Council is informed about relevant local issues of which they are aware to support its decision-making as appropriate.
- 2.9 The implementation of the Charter, and its effectiveness, will continue to be monitored by regular meetings of the North Yorkshire Parishes' Joint Liaison Group and the document will be reviewed and updated after a six month period and then annually thereafter. The terms of reference of the North Yorkshire Parishes' Joint Liaison Group are attached at appendix 1.

### **3.0 Partnership Working**

- 3.1 Successful partnership working between North Yorkshire Council and the parish sector can only be achieved if all partners understand and respect each other's roles and work cooperatively to serve the community. It is recognised that both North Yorkshire Council and parish sector Councillors and the Chairs of parish meetings are elected to their roles for the benefit of their diverse communities. It is also acknowledged that many parishes have very limited resources. In addition, the new North Yorkshire Council is committed to delivering improved efficiency and effectiveness in services, reducing duplication, and achieving savings. Effective partnership working is key in achieving this commitment.
- 3.2 North Yorkshire Council recognises that the parish sector across North Yorkshire are:
- Bodies which draw on their local democratic accountability and expertise to take decisions and actions, and to collaborate with responsible bodies including North Yorkshire Council and other public sector bodies, to benefit their communities
  - Key providers of some local public services, as authorised by statute
  - Facilitators and supporters of action by the wider community, providing resources, encouragement and a 'stamp of approval' to community initiatives
- 3.3 The parish sector recognises the strategic role and responsibilities of North Yorkshire Council and its priorities as set out in its Council Plan.
- 3.4 North Yorkshire Council and the parish sector will work together in partnership to:
- Promote and protect social, economic and environmental well-being for the benefit of our local communities, to ensure vibrancy and future sustainability
  - Strive to eliminate all forms of discrimination and promote equality of opportunity
  - Promote an active democracy to ensure all members of every North Yorkshire community are able to have a say in our future and to help develop a shared vision, identity and sense of belonging

- Welcome all feedback and aim to act quickly and efficiently to address issues within their power
- Respect and promote the role of both elected and co-opted councillors as representatives of their communities through positive communication, leadership and engagement, all undertaken to high ethical standards
- Give importance and recognition to issues and ideas raised at each level of local government
- Ensure efficient, effective and value for money management, supported by adequate training

## 4.0 Communication

- 4.1 Effective communication is the basis for any successful working relationship, it needs to be a two-way process utilising a variety of methods. The Yorkshire Local Councils Associations has an important role in facilitating communication and providing coordinated feedback and training.
- 4.2 North Yorkshire Council will:
- Use a variety of methods to communicate with the parish sector - selecting the most effective method, dependent on the issue and which parish(es) are impacted
  - Make best use of the information technology available to promote quick and efficient communication
  - Respond to enquiries and reported issues from the parish sector in line with the Customer Charter - the policy is to acknowledge communications within five working days of receipt, and normally provide a full response (if required) as soon as reasonably practicable and in any event within 20 working days. If this is not possible an explanation will be given as to why, along with an indication of when a full reply will be provided
  - Ensure working arrangements with the parish sector are reviewed regularly via the North Yorkshire Parishes' Joint Liaison Group and information is published online
  - Notify the parish sector via email of all programmed maintenance and improvement schemes relating to highways and other matters of significant impact within their boundaries
  - Circulate notification of the publication of Area Constituency Committee agendas and papers on our website to parish clerks at the same time as they are sent to our members
  - Provide opportunities for members of the public, including elected Members (Councillors) and parish clerks, to ask a question or make a statement at the start of ordinary meetings (Executive and committees), if notice including the full text of the question or statement has been given in writing or by electronic mail to the Democratic Services team [democratic.services@northyorks.gov.uk](mailto:democratic.services@northyorks.gov.uk) no later than midday three working days before the day of the meeting.
- 4.3 The parish sector will:
- Make every effort to attend and be represented at relevant North Yorkshire Council meetings and events when invited

- Make best use of the available information technology to communicate with North Yorkshire Council
- Encourage Councillors to have access to and use of electronic communication
- Where practicable support, provide and encourage all clerks to have access to a council-owned computer and council (rather than personal) email account
- Send a substantive reply to correspondence from North Yorkshire Council within 28 working days (not including responses to consultation documents), unless there are exceptional reasons why this cannot happen
- Provide up to date contact details/changes to contact details for both Parish Clerks and Chairs to North Yorkshire Council's Democratic Services team on [democratic.services@northyorks.gov.uk](mailto:democratic.services@northyorks.gov.uk) in a timely manner
- Use a variety of appropriate methods to communicate and consult with communities, e.g., through setting up group chats using messaging apps, village magazines and flyers
- Raise any issues relating to dissatisfaction with North Yorkshire Council's actions, the response to a request for information, or failures to consult, by making a formal complaint through the Council's complaints procedure, noting that these issues can also be raised with the relevant elected Member of North Yorkshire Council, the local Area Committee and the North Yorkshire Parishes' Joint Liaison Group
- Report all non-urgent highway defects via the Parish Portal online reporting system (this was designed following engagement with the parish sector and includes a full record of all reports made to North Yorkshire Council's Highways department together with available updates for each case, more information is available in **appendix 2**)
- Provide the opportunity for North Yorkshire Council officers and Members to speak at meetings on matters of mutual interest

## 5.0 Consultation and Engagement

### 5.1 North Yorkshire Council will:

- Engage with the parish sector on key issues that are likely to affect or be of particular interest to their area
- Engage regularly with the parish sector through the North Yorkshire Parishes' Joint Liaison Group
- Follow Government practice and allow 12 weeks for consultation where possible
- Provide the parish sector with sufficient information to enable them to reach an informed view on matters upon which they are being consulted
- Support the engagement process through North Yorkshire Council Councillors
- Consult the parish sector in respect of planning, licensing and highways matters
- Take account of the views of the parish sector during the North Yorkshire Council budget setting process, providing information in a timely manner
- Provide briefing or training sessions to Councillors and clerks from the parish sector on complex consultation issues and where capacity allows
- Provide feedback to the parish sector on the results of consultation

- Use plain English and keep information jargon free when consulting with the parish sector
- Offer information in different formats where that is appropriate

5.2 The parish sector will:

- Provide a representative at North Yorkshire Council engagement meetings, whenever practicable to do so
- Recognise the strategic role of North Yorkshire Council in tackling issues that look beyond individual parish boundaries
  - Respond within consultation deadlines set by North Yorkshire Council, unless otherwise agreed e.g., by considering having an extraordinary meeting to meet the deadline
- Work with North Yorkshire Council to seek mutually acceptable solutions to issues

## 6.0 Finance

6.1 Financial arrangements will be informed by the overarching principles of fairness, efficiency and transparency.

6.2 North Yorkshire Council will:

- Consult the parish sector on proposed changes to service provision and on budget implications in a timely manner
- Provide information in a timely manner, such as the tax base, to support and assist the parish sector in determining their precepts
- Pay the precept to the parish sector
- In October each year, provide a detailed breakdown of election costs to which the parish sector are expected to pay or contribute to if requested and which will inform precept decisions

6.3 The parish sector will:

- Provide precept information by the mutually agreed deadline
- Be responsible for the full cost of any parish sector by-election within their parish

## 7.0 Local Services and Assets

7.1 The parish sector is able to provide some local services and organise activities which take place within their area. Many parish sector councils across North Yorkshire already provide and operate a range of services, including parks, playing fields, cemeteries, closed churchyards, and allotments.

7.2 North Yorkshire Council will:

- Support the parish sector to maintain their own local services and assets if they wish to, and where it is practicable for them to do so

- Consider, in accordance with relevant legislation and the Council's own policy and procurement arrangements, proposals for the transfer of some locally based services and assets to the parish sector. This will exclude decision making on matters such as planning applications and traffic regulation orders and a range of services which the North Yorkshire Council are not able to delegate because of their particular statutory nature, e.g., children's education, social care

7.3 The parish sector will:

- Manage, maintain and resource the provision of local services and facilities, where appropriate in consultation with North Yorkshire Council

7.4 It should be recognised that the above principles are general and there can be local variations.

## 8.0 Practical Support

8.1 North Yorkshire Council offers practical support to the parish sector in a number of areas. This will be reviewed and further information provided as services are transformed following vesting day. North Yorkshire Council Councillors can provide information to the parish sector about issues in their areas and take the views of the local community into account in the decision-making process. They also have locality budgets which allow them to respond to local needs by recommending funding to support specific activities. The following sets out the practical support available to the parish sector at the current time.

8.2 North Yorkshire Council will:

- Offer the parish sector access to some services (e.g. printing, purchasing and training) at a mutually agreed price and as part of joint procurement opportunities. The ability to join a street lighting energy contract and street lighting maintenance contract may be possible and will be assessed on a case-by-case basis (applies to parish sector authorities only)
- Provide a first point of contact when the parishes are developing or refreshing parish plans, through the relevant North Yorkshire Council team
- Consider whether there are areas of a parish plan where it could help the parish sector
- Provide a point of contact for support and possible grant funding opportunities for community-based projects
- Provide the parish sector with advice and guidance to develop a Community Resilience Scheme, through the Resilience and Emergencies Team. This will enable the parish sector to increase their local community's resilience in the first few hours of an incident such as flooding, before the emergency services arrive
- Provide advice, guidance and support to the parish sector on their rights in respect of Community Right to Bid, Community Right to Challenge and the Community Right to Build as set out in the Localism Act

- Offer opportunities for the parish sector to manage some services and assets, including transfer of appropriate budget, where this is cost neutral to North Yorkshire Council and there is a sound business case

8.3 Further information on how to report issues, e.g., matters relating to highways, and contact details are set out in appendix 2.

## **9.0 Next Steps – Further development, Monitoring and Review**

- 9.1 As stated previously, this document represents the first stage in the process towards developing a more comprehensive Parish Charter which will include detailed working arrangements between North Yorkshire Council and the parish sector in its area. It commits North Yorkshire Council to work with the parish sector to agree detailed arrangements regarding specific service areas such as planning, elections, finance, economic development etc.
- 9.2 Implementation of the Charter will be monitored by the North Yorkshire Parishes' Joint Liaison Group.
- 9.3 The Charter will be reviewed commencing within the first six months of its operation and on an on-going basis. On-going reviews will be on an annual basis and following each North Yorkshire Council election, as a minimum, to ensure that it remains relevant.

## Appendix 1

### Terms of Reference

#### North Yorkshire Parishes' Joint Liaison Group

These arrangements provide the framework for the operation of the Group.

##### 1. Title

The group shall be called the North Yorkshire Parishes' Liaison Group.

##### 1.1 Background

At the time of writing of this Charter, there are currently 731 parishes in North Yorkshire. There are also a number of parish meetings without a parish council. In some areas small parishes may work together with neighbouring parishes to run a grouped, joint or common parish council. Parish councils may be created in accordance with legislation and local community demand. All parish sector authorities are parish councils but can choose to alter their style (e.g., town or city council) but they all have the same role. In this document the term the 'parish sector' is used to encompass all these various arrangements.

##### 2. Objectives

The objectives of the group are:

- To provide a means for liaison between North Yorkshire Council (NYC) and the parish sector on matters of common interest
- To co-ordinate local networking and joint activity
- To support the development of working relationships between North Yorkshire Council and the parish sector
- To provide a means for sharing and discussing information that is relevant to both North Yorkshire Council and the parish sector
- To create a reliable dialogue between group members to ensure the parish sector and North Yorkshire Council issues inform strategic decision and policy making on both sides

##### 3. North Yorkshire Council Representatives

- The NYC Executive portfolio holder for locality engagement
- NYC Executive members and senior officers relevant to the issues being considered at the meeting (as nominated by the NYC Executive portfolio holder for locality engagement)

##### 4. Parish Sector Representatives

- Each branch of the YLCA shall appoint a representative to the Group
- Representatives may be accompanied by a Parish Clerk
- The two elected Parish Council North Yorkshire Standards Committee representatives will attend the meeting on occasions where there is information to share
- A parish sector spokesperson will be elected by parish sector representatives to manage shared communications between North Yorkshire Council and the parish sector on liaison issues

**5. Chair**

- The Group shall be chaired by the Executive member of North Yorkshire Council or her/his nominee
- The Vice Chair shall be the parish sector's spokesperson

**6. Yorkshire Associations of Local Councils and Society of Local Council Clerks**

- A representative of Yorkshire Local Councils Associations (YLCA) and Society of Local Council Clerks (SLCC) shall be entitled to attend meetings of the Group

**7. Meetings of the Group**

- Meetings of the Group shall take place quarterly and additional meetings shall be called as necessary. Dates for meetings shall be fixed for the year (as far as practicable) at the first meeting in each municipal year
- Additional meetings of the Group shall take place as soon as practical on a request being made and supported by 25% of parish sector authorities
- Should there be no issues raised for an agenda by the parish sector or North Yorkshire Council, a meeting can be cancelled with the agreement of the Chair and the parish sector's spokesperson

**8. Agenda and Minutes**

- Agendas for meetings shall be circulated at least five working days before meetings and minutes shall be circulated as soon as practical after meetings of the Group
- Preparation and circulation of agendas and minutes shall be undertaken by a North Yorkshire Council Officer
- The parish sector can submit items for inclusion on the agenda through the parish sector spokesperson. Agenda items will be at the joint unanimous discretion of the Chair and Vice-Chair

**9. North Yorkshire Council Officers**

North Yorkshire Council shall arrange the attendance of relevant officers at meetings of the Group (subject to availability) to reflect the matters on the agenda

**10. Subgroups**

The Group may appoint subgroups to undertake specific tasks and report back to the Group

**11. Review of Arrangements**

These arrangements can be reviewed as required

## Appendix 2

### How to Report Issues/Contact Details

In relation to Highways issues, the parish sector should:

- Use the North Yorkshire Council website where possible to find information about our services and news updates including road, footpath closures, temporary traffic lights and diversions
- Report all non-urgent highway defects via the North Yorkshire Council [Parish Portal](#) online reporting system
- Report all urgent highway issues by telephone to 01609 780780.
- Report highway emergencies outside normal office hours by contacting North Yorkshire Police on 101, website: (<https://www.northyorks.police.uk/contact/>). Highway emergencies include any highway hazards such as flooding, mud/diesel spillages, carriageway debris, fallen trees and any road or footway defects which may be a danger to highway users.
- Gather evidence or feedback to assist us in our highways service delivery, including reporting road defects (e.g., potholes and drainage problems), and reporting misuse of weight restricted routes by heavy goods vehicles. This feedback can be provided via email to the local Highway Area Office or to [Customer.Services@northyorks.gov.uk](mailto:Customer.Services@northyorks.gov.uk)

In relation to social care emergencies (out of hours support), the parish sector should:

- Report any social care emergencies that arise outside of normal office hours by telephoning 01609 780780

NB Further contact details and reporting arrangements will be included when arrangements and procedures have been finalised. It is intended that all relevant contact details will be provided before 31 March 2023.

To All Parish Clerks

16 January 2023

Dear Parish Clerk

**Re: Draft Parish Charter Consultation**

North Yorkshire County Council approved a draft parish charter and a consultation approach on the draft charter at a meeting of their executive on Tuesday 10 January 2023.

**Background**

The development of a Parish Charter, defining the relationship between the new North Yorkshire Council and the parish sector as well as setting out how North Yorkshire Council and parishes will work together in partnership, is seen a priority for the new authority. The importance of parishes and effective partnership working is essential to achieve the vision and aims of the new authority. However, as there will be an ongoing programme of transformation beyond the new Council's start date (1 April 2023), it has been agreed the development of the parish charter will be a staged process. Once the initial version is adopted it will be reviewed and updated after six months and thereafter on an annual basis. A representative group of town and parish councillors and clerks have worked together with officers from across the district, borough and county councils to co-produce this initial version and will continue to be involved through the further development of the Charter.

**Consultation**

We are inviting you to take part in this initial consultation on the draft Parish Charter. The consultation will run for a 12-week period from 18 January -12 April 2023.

Please can you review the draft Parish Charter (a copy is attached) at one of your upcoming council meetings and submit a response on behalf of your parish via a short questionnaire found at the following link <https://consult.northyorks.gov.uk/snapwebhost/s.asp?k=167283326162>. To aid you in this process we have also attached a paper copy of the consultation questionnaire.

**Parish Liaison Drop-In sessions – February 2023**

There will be a parish liaison drop-in meeting in each district/borough council area during February. The meetings will be attended by Senior Officers and volunteers representing parishes that have been involved in the development of the draft charter. The meetings have been arranged to coincide with the consultation should you wish to discuss further but you are also welcome to attend to discuss other issues connected with Local Government Reorganisation. Details of the sessions are attached.

Your feedback will help inform further development of the Parish Charter in 2023 and so we thank you for your support.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Flinton', is placed over a light grey rectangular background.

### North Yorkshire Police Updates:

- **Stokesley Farmers Market:**

Officers from Stokesley Neighbourhood Policing Team will be at Stokesley Farmers Market on the third Saturday of every month from 9am the next one will take place on the **4<sup>th</sup> March 2023**.

- **Dot Peen Property Marking:**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools, computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be added to the waiting list.

- **Drugs Awareness:**

Stokesley Police would appreciate the assistance of our community in relation to drug use/supply. Information can be provided via 101, through Crime stoppers on 0800 555 111 or email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk).

- The Neighbourhood policing team are trying to engage with communities. If possible, could a list of coffee mornings or other community meetings be sent to us with contact numbers to make arrangements? If this service is not wanted, please could you inform us.

**EB**

### **4. Finance**

As of February 2023

Metro Bank Current Account £4821.58

Metro Bank Instant Access Savings £11,541.46

There has been no communication from HMRC since we wrote to them in June 2021. We must assume that we have been de-registered and are not liable for any charges.

Oil Paid for - £414.59

Water - £77.97

EON - Default plan ending in September – We have automatically been put on the 'Business Tariff' – Annual cost £937.00.

We` are currently paying £36 pm DD - that equates to 30% more than last year. We are £300 in arrears.

Eon have informed us of EBRS – we will be put on a lower rate of KW PH for electricity from October – March 2023

## 5. 100 Club

|                       |                      |
|-----------------------|----------------------|
| 1 <sup>st</sup> Prize | Rick & Val Walker    |
| 2 <sup>nd</sup> Prize | Gordon & Ross Clarke |

## 6. Health & Safety

### Health & Safety Checks Due

## **DEREKS QUIZ – SATURDAY 15<sup>TH</sup> APRIL 2023**

Posters to be made

**LH**

Advertise on Social Media

**LH/KF**

Pie & Pea Supper

£10 per ticket

### **8. A.O.B**

Unfortunately Ellie will be standing down from the Village Hall Committee after our Greek Evening. She will be happy to help at any functions etc we need her too. We Thank you for all your Help and contributions whist you've been on the committee.

**Broadband for the Village Hall** - I have got a quote from BT – Superfast Broadband – Half price for 6 months @ £16.99 then £33.99 thereafter for 24 month contract.

**Fiona** is also going to look at Shell Energy to see what they can offer us.

Amazon Smile will be stopping on the 20<sup>th</sup> February.

New White serving dishes of various sizes needed for the hall so they are all the same when we hold functions. Julie found some we all liked. We will do a stock take at some point to see how many we need.

**JS ALL**

**Next meeting date: Tuesday 14<sup>th</sup> March 2023 @ 7.00pmat Phils House**

## Certificate of Employers' Liability Insurance (a)

(Where required by regulation 5 of the Employers' Liability (Compulsory Insurance) Regulations 1998, one or more copies of this certificate must be displayed at each place of business at which the Policyholder employs persons covered by the Policy)

|                                   |                      |
|-----------------------------------|----------------------|
| Policy Number:                    | LCO01696             |
| Name of Policyholder:             | Potto Parish Council |
| Date of commencement of insurance | 24/02/2023           |
| Date of Expiry of insurance       | 23/02/2024           |

We hereby certify that subject to paragraph 2:

1. the policy to which this certificate relates satisfies the requirements of the relevant law applicable in Great Britain, Northern Ireland, the Isle of Man, the Island of Jersey, the Island of Guernsey and the Island of Alderney, or to offshore installations in territorial waters around Great Britain and its Continental Shelf (b)
2. the minimum amount of cover provided by this Policy is no less than £5 million (c)

Signed on behalf of  
Aviva Insurance Limited  
(Authorised Insurers)

A handwritten signature in black ink, appearing to read 'Adam Winslow', written over a horizontal line.

Authorised Signatory  
Adam Winslow  
Chief Executive Officer, UK & Ireland General Insurance

### Notes

- a. Where the employer is a company to which regulation 3(2) of the Regulations applies, the certificate shall state in a prominent place, either that the policy covers the holding company and all its subsidiaries, or that the policy covers the holding company and all its subsidiaries except any specifically excluded by name, or that the policy covers the holding company and only the named subsidiaries
- b. Specify applicable law as provided for in regulation 4(6) of the Regulations.
- c. See regulation 3(1) of the Regulations and delete whichever of paragraphs 2(a) or 2(b) does not apply. Where 2(b) is applicable, specify the amount of cover provided by the relevant policy.

**It is recommended that you retain a copy of each Employers' Liability certificate issued to you**

## Brokers Certificate of Public and Products Liability Insurance

|                                                                                                                                                                                                                                                                                                                                                              |                                                                                                    |

## North Yorkshire Police Updates:

- **Stokesley Farmers Market:**

Officers from Stokesley Neighbourhood Policing Team will be at Stokesley Farmers Market on the third Saturday of every month from 9am the next one will take place on the **4<sup>th</sup> March 2023**.

- **Dot Peen Property Marking:**

Dot Peen Marking involves using a tungsten carbide-tipped pin to indent an object with dots to create a visible, permanent unique number. The unique number will be entered onto the National Immobilise Property Register Database. It can be used on farm equipment, on garage and garden tools, power tools, computers and electrical devices, mobile phones and tablets, equestrian tack, golf clubs, musical instrument cases, cycles and much more!

If you or anybody you know has equipment that requires **FREE** marking please email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk) to be added to the waiting list.

- **Drugs Awareness:**

Stokesley Police would appreciate the assistance of our community in relation to drug use/supply. Information can be provided via 101, through Crime stoppers on 0800 555 111 or email [snastokesley@northyorkshire.pnn.police.uk](mailto:snastokesley@northyorkshire.pnn.police.uk).

- The Neighbourhood policing team are trying to engage with communities. If possible, could a list of coffee mornings or other community meetings be sent to us with contact numbers to make arrangements? If this service is not wanted, please could you inform us.

If anyone would like to report anything via email, our email address is:  
[SNastokesley@northyorkshire.pnn.police.uk](mailto:SNastokesley@northyorkshire.pnn.police.uk)

## Public Interest Report 2017,2018, 2019, 2020 Action Plan

| No        | Recommendation                                                                                                                                                                                                                 | Action                                                                                                                                                                                            | Date                     |
|-----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| <b>R1</b> | We recommend that the Council: holds an annual meeting in accordance with legislation                                                                                                                                          | PPC holds an Annual Meeting in May of each year and will ensure that it is fully documented.                                                                                                      | Already adopted May 2022 |
| <b>R2</b> | We recommend that the Council: at the annual meeting elects a Chair of the Council for the year.                                                                                                                               | PPC elect a Chair of the Council at the Annual meeting and will ensure that it is fully documented.                                                                                               | Already adopted May 2022 |
| <b>R3</b> | We recommend that the Council ensures that: it clearly minutes all adoption of Standing Orders;                                                                                                                                | PPC review and adopt all of its policies and procedures annually. This is clearly minuted.                                                                                                        | Already adopted May 2021 |
| <b>R4</b> | We recommend that the Council ensures that: it clearly specifies on Standing Orders the date of their adoption.                                                                                                                | PPC will ensure that standing orders include the date of their adoption.                                                                                                                          | Already adopted Feb 2020 |
| <b>R5</b> | We recommend that the Council maintains and reviews a record of the date on which agendas are posted on the Council's website.                                                                                                 | PPC will maintain a record of when agendas are posted on the website and review annually.                                                                                                         | July 2022                |
| <b>R6</b> | We recommend that the Council maintains and reviews a record of the date on which minutes are posted on the Council's website.                                                                                                 | PPC will maintain a record of when minutes are posted on the website and review annually.                                                                                                         | July 2022                |
| <b>R7</b> | We recommend that the Council adopts a more structured approach to setting its Council Tax precept, including setting out in the report to the Council proposing the Council Tax precept and/or minutes of the Council meeting | PPC currently review the precept annually, which is presented as an ongoing spreadsheet showing previous years compared to the current year. This document forms the basis of the Precept setting | December 2022            |

|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
|                       | setting the precept, the estimated reserves that it would be appropriate to raise or prudent to use, having regard to the estimated level of reserves at the end of the financial year. | discussions. It is proposed that this is formalised into a report documenting the precept and expected reserves etc. this process will be undertaken commencing with the next precept review in November 2022.                                                                                                                                                                                                                               |            |
| <b>R8</b>             | We recommend that the Council explicitly approves all payments made.                                                                                                                    | PPC approve all expenditure, and two signatories are required for each cheque, however 2 standing orders (CPRE £36 and Clerks Salary) are handled independently, CPRE under the Budget setting and Clerks Salary under annual pay review. PPC will ensure that these transactions are explicitly recorded.                                                                                                                                   | July 2022  |
| <b>R9</b>             | We recommend that the Council should: undertake a review of its arrangements for handling Freedom of Information requests in light of the findings of the Information Commissioner;     | PPC implemented a Freedom of Information policy in 2020. Reviewing the FOI requests from the objector, PPC received 261 FOI requests from the objector, each of which were responded to. Of these requests 55 requests were made for an internal review, which were undertaken, and none were upheld. Subsequently the objector made 23 complaints to the ICO of these PPC had to issue 5 fresh responses, the rest were either dismissed or | April 2020 |

|-----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|
| <b>R13</b>            | We recommend that the Council prepares and places on its website a privacy notice.                                                                                                      | PPC have adopted the pro forma YLCA privacy notice which can be reviewed on our website at <a href="#">Potto Parish Website - The website of Potto Parish, North Yorkshire</a> .                                                      | Already adopted               |
| <b>R14</b>            | We recommend that the Council adopts a structured and documented approach to the completion of its Annual Governance Statement.                                                         | PPC follow the guidelines provided by the auditors and the YLCA when completing the Annual Governance Statement. The Annual Governance Statement is then discussed by the Parish Council being signed off during the council meeting. | Already adopted February 2020 |
| <b>R15</b>            | We recommend that the Council: prepares action plans in response to this report, including clear actions with dates for completion and responsibilities for implementation;             | PPC has prepared this Action Plan in response to the recommendations provided in the PIR. It should be noted that many of the actions noted in the PIR had already been adopted by PPC, based on our work with the YLCA.              | August 2022                   |
| <b>R16</b>            | We recommend that the Council: receives reports on progress in implementation of recommendations at each Council meeting until all agreed recommendations have been implemented.        | PPC will review progress on these action at subsequent parish council meetings until such time as these actions have been implemented.                                                                                                | August 2022                   |
| <b>R17</b>            | We recommend that the Council seeks assistance, possibly from the Yorkshire Local Councils Associations, in implementing the recommendations contained in this Public Interest Report.” | PPC continue to engage with the YLCA and have undertaken a review of our activities together with an independent audit on our activities together with subsequent full council training sessions.                                     | September 2019                |

# POTTO PARISH COUNCIL

District  
Hambleton

County  
North Yorkshire

## **Hambleton Command: Town and Parish Council Report**

**Next meeting date: Tuesday 2<sup>nd</sup> May @ 7pm in Hall - AGM**

# Annual Governance and Accountability Return 2022/23 Form 3

To be completed by Local Councils, Internal Drainage Boards and other Smaller Authorities\*:

- where the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; or
- where the higher of gross income or gross expenditure was £25,000 or less but that:
  - are unable to certify themselves as exempt (fee payable); or
  - have requested a limited assurance review (fee payable)

## Guidance notes on completing Form 3 of the Annual Governance and Accountability Return 2022/23

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Form 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with *Proper Practices*.
2. **The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:**
  - The **Annual Internal Audit Report** **must** be completed by the authority's internal auditor.
  - **Sections 1 and 2** **must** be completed and approved by the authority.
  - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved and published on the authority website/webpage **before 1 July 2023**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2023**. Reminder letters will incur a charge of £40 +VAT:
  - the Annual Governance and Accountability Return Sections 1 and 2, together with
  - a bank reconciliation as at 31 March 2023
  - an explanation of any significant year on year variances in the accounting statements
  - notification of the commencement date of the period for the exercise of public rights
  - Annual Internal Audit Report 2022/23

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the limited assurance review and is able to give an opinion, the Annual Governance and Accountability **Section 1, Section 2 and Section 3 – External Auditor Report and Certificate** will be returned to the authority by email or post.

## Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2023 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2022/23**, approved and signed, page 4
- **Section 2 - Accounting Statements 2022/23**, approved and signed, page 5

Not later than 30 September 2023 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

## Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2022/23

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2023.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2022) equals the balance brought forward in the current year (Box 1 of 2023).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2023**.

# Annual Internal Audit Report 2022/23

ENTER NAME OF AUTHORITY

ENTER PUBLICLY AVAILABLE WEBSITE/WEBPAGE ADDRESS

**During** the financial year ended 31 March 2023, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

The internal audit for 2022/23 has been carried out in accordance with this authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this authority.

| Internal control objective                                                                                                                                                                                                                                                                                                                                                 | Yes | No* | Not covered** |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----|---------------|
| <b>A.</b> Appropriate accounting records have been properly kept throughout the financial year.                                                                                                                                                                                                                                                                            |     |     |               |
| <b>B.</b> This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.                                                                                                                                                                                               |     |     |               |
| <b>C.</b> This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.                                                                                                                                                                                                                             |     |     |               |
| <b>D.</b> The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.                                                                                                                                                                                                |     |     |               |
| <b>E.</b> Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.                                                                                                                                                                                                                     |     |     |               |
| <b>F.</b> Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.                                                                                                                                                                                                                            |     |     |               |
| <b>G.</b> Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.                                                                                                                                                                                                     |     |     |               |
| <b>H.</b> Asset and investments registers were complete and accurate and properly maintained.                                                                                                                                                                                                                                                                              |     |     |               |
| <b>I.</b> Periodic bank account reconciliations were properly carried out during the year.                                                                                                                                                                                                                                                                                 |     |     |               |
| <b>J.</b> Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.                                                        |     |     |               |
| <b>K.</b> If the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. <i>(If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")</i>                                                                                                      |     |     |               |
| <b>L.</b> The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation.                                                                                                                                                                                                  |     |     |               |
| <b>M.</b> In the year covered by this AGAR, the authority correctly provided for a period for the exercise of public rights as required by the Accounts and Audit Regulations <i>(during the 2022-23 AGAR period, were public rights in relation to the 2021-22 AGAR evidenced by a notice on the website and/or authority approved minutes confirming the dates set).</i> |     |     |               |
| <b>N.</b> The authority has complied with the publication requirements for 2021/22 AGAR <i>(see AGAR Page 1 Guidance Notes).</i>                                                                                                                                                                                                                                           |     |     |               |

| O. (For local councils only)                                                            | Yes | No | Not applicable |
|-----------------------------------------------------------------------------------------|-----|----|----------------|
| Trust funds (including charitable) – The council met its responsibilities as a trustee. |     |    |                |

For any other risk areas identified by this authority adequate controls existed (list any other risk areas on separate sheets if needed).

**\*If the response is 'no' please state the implications and action being taken to address any weakness in control identified (add separate sheets if needed).**

**\*\*Note:** If the response is 'not covered' please state when the most recent internal audit work was done in this area and when it is next planned; or, if coverage is not required, the annual internal audit report must explain why not (add separate sheets if needed).

## Section 1 – Annual Governance Statement 2022/23

We acknowledge as the members of:

ENTER NAME OF AUTHORITY

our responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements. We confirm, to the best of our knowledge and belief, with respect to the Accounting Statements for the year ended 31 March 2023, that:

|                                                                                                                                                                                                                                                                                                 | Agreed |     |                                                                                                                                                                                                |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                                                                                                                                                 | Yes    | No* | 'Yes' means that this authority:                                                                                                                                                               |
| 1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.                                                                                                                                                  |        |     | <i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>                                                                                               |
| 2. We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.                                                                                                                                  |        |     | <i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>                                                                     |
| 3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances. |        |     | <i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>                                                                                     |
| 4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.                                                                                                                               |        |     | <i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>                                                               |
| 5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.                                                                            |        |     | <i>considered and documented the financial and other risks it faces and dealt with them properly.</i>                                                                                          |
| 6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.                                                                                                                                                          |        |     | <i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i> |
| 7. We took appropriate action on all matters raised in reports from internal and external audit.                                                                                                                                                                                                |        |     | <i>responded to matters brought to its attention by internal and external audit.</i>                                                                                                           |
| 8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.                                  |        |     | <i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>                                           |
| 9. (For local councils only) Trust funds including charitable. In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit.                         | Yes    | No  | N/A                                                                                                                                                                                            |
|                                                                                                                                                                                                                                                                                                 |        |     | <i>has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>                                                               |

**\*Please provide explanations to the external auditor on a separate sheet for each 'No' response and describe how the authority will address the weaknesses identified. These sheets must be published with the Annual Governance Statement.**

## Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of

ENTER NAME OF AUTHORITY

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor’s limited assurance opinion 2022/23

(Except for the matters reported below)\* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (\*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

### 3 External auditor certificate 2022/23

We certify/do not certify\* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

\*We do not certify completion because:

**TOWN AND COUNTRY PLANNING ACT 1990  
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990**

Dear Sir/Madam

**PROPOSAL:** Alterations and extensions to existing dwelling  
**LOCATION:** 11 Cooper Lane Potto Northallerton North Yorkshire  
**APPLICANT:** Mr And Mrs P Husband

The above application, which was received on 9 February 2023 ,has now been formally considered and determined by this Council. The decision on this proposal was: **Granted**. The comments which you made in respect of the proposal were taken into account in arriving at the decision.

A copy of the decision notice and planning report explaining how the decision was arrived at is now available to view on our website. [www.northyorks.gov.uk](http://www.northyorks.gov.uk)

If you require further information about this matter please do not hesitate to contact the case officer Mr Thomas Pilling who will be pleased to help. I would, however, draw you attention to the fact that only the applicant has a right of appeal against the decision.

Yours faithfully

*Planning Services*

**POTTO VILLAGE HALL MANAGEMENT COMMITTEE  
CHAIRMAN'S REPORT TO THE AGM  
TUESDAY 2<sup>nd</sup> MAY 2023**

The last 12 months have been my fourteenth year as Chairman of the Potto Village Hall Management Committee. I have recently celebrated my seventieth birthday and have come to the decision that it is now time to step down from the Committee and allow other younger and more energetic members of the Committee to take over the running of the Village Hall.

I consider that a new Chair with fresh ideas is needed to guide the Committee into the future and I trust my successor will continue to have the great support of the Committee that they have given to me throughout my time here.

### **MAIN EVENTS**

All the troubles that had affected the Village Hall due to the Covid pandemic in 2020 & 2021 were put behind us in 2022 and the Hall got back to normality after 2 full years of disruption.

The first event of the year was Queen Elizabeth's 70<sup>th</sup> Jubilee in early June, which was celebrated with the Annual Village Barbeque. We had hoped to capture a Photograph of all the Villagers at the event, but unfortunately just as the time for the photo came, so also did torrential rain, which stopped any hope of the photograph being taken. The rain had admittedly waited until everyone had finished eating- just. The rest of the day was enjoyed under cover of the marquees.

The long hot summer of 2022 was enjoyed in Potto as throughout the rest of the country. No events were organised during this period, but maintenance of the trees and the hedge on the south side of the car park was organised for September. The necessity for the works was disputed by some in the Village and unfortunately caused a certain amount of ill-feeling. The result of the work however ensured the future safe use of the Hall by visitors and Villagers alike. It also opened up the fine view of the Hills for all users of the Hall to enjoy, and has certainly enhanced the overall appearance and setting of the Hall.

On Saturday 1<sup>st</sup> October we decided to hold our very first Pub Night. The evening was a great success, with the Hall converted into a proper Pub, with draught beer, pool table, dominoes and shove halfpenny available, but the main success was the terrific atmosphere that was felt in the Hall, with good natured banter and the buzz of conversation that had brought the people of Potto out of their comfy sofas in front of the TV and back into the "Local". This I'm sure will be the first of many more evenings in the Pub at The Village Hall.

Just Some Theatre entertained us on Saturday 29<sup>th</sup> October 2022 with their play titled the Killer Question. This was a Who Dunnit where the audience decided which actor played which character. The cast were superb and the twists in the storyline left us all guessing right to the last minute. A wonderful production thoroughly enjoyed by the whole audience.

The "Make Potto Sparkle" evening was continued again this year and held on Saturday 18<sup>th</sup> December a week before Christmas. Potto residents had switched on their outdoor lights and the Hall was opened up as Pub at the Village Hall once again, to allow the Villagers to meet for some Festive Cheer after walking round the Village to admire the lights. Another great success story for the Hall and the Village.

This year's pantomime was Cinderella held on Wednesday 29<sup>th</sup> December and presented by Same Difference Arts. This was definitely a "Modern" version of the famous fairy tale, with Cinderella enlisting the help of the Prince to save the Forest from being cut down by the "Sparkle Sisters" who were going to develop it into a theme park! The Children in the audience appeared to thoroughly enjoy it. Who didn't appreciate the change in emphasis in these green times from the old pumpkin, mice and glass slipper story?

This year the New Year Dinner was held on Saturday 11<sup>th</sup> February, with a Greek theme. An excellent meze meal was prepared by the ladies of the committee with accompanying Greek wines and beers and of course, ouzo. So many good reports were received from the diners, and it is very heartening when all the hard work is well appreciated.

It was 2007 when Derek Agar first hosted a Quiz at Potto Village Hall and 2018 since his last appearance. Derek's Quizzes are the best, and many teams from the area come back to Potto Village Hall just to take part. All the questions are illustrated with appropriate pictures projected onto a screen. Derek's passions for Middlesbrough Football Club, Yorkshire Cricket and all things local to the North East shine through in the vast range of challenging questions with witty illustrations. This year Derek returned to the Village Hall on Saturday 15<sup>th</sup> April. What a privilege it was to have such a dedicated quiz master entertain us once more. Thank you Derek.

## **REGULAR EVENTS AND BOOKINGS**

### **HUTTON RUDBY CUBS**

The Hutton Rudby Cub Scout Pack have been meeting at the Village Hall every Monday evening again this year after moving to Potto seven and a half years ago. They have remarked how much they enjoy being at the Hall and we are so pleased to be able to accommodate them.

### **MONDAY MORNING YOGA CLASS**

Suzanne Calvert has continued her Yoga Class on Monday mornings, after her group moved to Potto Village Hall once the refurbishments were completed in September 2020. We understand that the Class enjoys the calm and aura of the Hall, as well as the views of the Hills, which enhance the Yoga experience.

### **YORKSHIRE COMMUNITY LEARNING**

In January 2023 Yorkshire Community Learning started Classes at Potto Village Hall in Oil Painting, Crochet, Knitting, Watercolour Painting, Embroidery and Flower Arranging, and these classes are continuing up to time, with a new Class in Pottery just starting as well. There has been a great amount of interest in the courses from the residents of Potto and the neighbouring Villages. It is so heartening to see the Hall being used to support the local community. Thank you YCL for organising the classes and we hope you continue to use Potto Village Hall.

### **SUNDAY NIGHT QUIZZES**

The Sunday Night Quiz is now permanently held in the Hall and the regular Quizzers have very sociable and enjoyable Sunday evenings with tasty suppers and a bar that is kept well stocked at all times. New faces are always welcome. Come along and enjoy an educational night of good natured banter and friendly rivalry with the task of trying to recall all the facts that we used to know and the interesting new facts that we try not to forget.

## **100 CLUB**

All but 2 tickets were sold this year and since the price was increased to £10 per ticket in 2020, the income generated helps our finances to the tune of approximately £500 per year. Ian Wray, has always been a great "Friend of the Village Hall," and had promoted the 100 Club for a number of years. Sadly Ian passed away in March after suffering from Motor Neuron Disease.

Amy Mazingham was another great supporter of the Village Hall who also sadly passed away in February. Amy was the original promoter of the 100 Club, Booking Clerk and member of the Committee for many years. After she stepped down from the Committee she continued to support the Village Hall events until the end.

Rest in Peace Ian and Amy. Your support over the years has been so greatly appreciated and you will both be sorely missed at future events.

## **FRIENDS OF THE VILLAGE HALL**

This past year we have again been most fortunate to be able to call upon the Friends of the Village Hall, who have given tremendous support to the Committee especially at the Barbeque.

Without the Friends the committee would be really struggling to stage major events and we thank you all for your efforts and support which has been forthcoming whenever we have asked for it.

## **POTTO PATTER**

Karen Foster has been running the Facebook Page *Potto Patter* for the last nine years, and all forthcoming events at the Village Hall are included. Running parallel with emails and our website it is a great boon to our communications systems.

## **VILLAGE HALL WEBSITE**

Lizz Hepple took over the running of the website [www.pottovillagehall.org](http://www.pottovillagehall.org) in 2020, and has been doing a marvellous job keeping it up to date, together with advertising the Hall and the forthcoming events. Lizz also designs all the posters and fliers to advertise the in-house events and we are very fortunate to have such a professional graphic designer amongst the Committee.

## **FAREWELL**

Although both Elaine and I are stepping down from the Committee at this AGM, I will be continuing to stock and run the bar for the Sunday Night Quiz. If the new committee wish, I will manage the bar for any events that require it, and I will also promote and run the 100 Club.

Before leaving the Committee I must convey my sincere thanks for the supreme support I have received from all the other members of the committee throughout the years. Thank you all for the many ways that you have helped with sharing the responsibilities of the Committee. I couldn't have done it without you.

And I wish you all well in looking after the Hall from now on. I know it's in good hands.

Elaine and I both thank you so much for the very kind words and presents that you presented us with at the last event, Derek's Quiz, for our years of Service to the Committee. They are very much appreciated.

Phil Harper  
Chairman, Potto Village Hall Management Committee 2009-23

# POTTO VILLAGE HALL MANAGEMENT COMMITTEE

## Minutes of meeting held Tuesday 2<sup>nd</sup> May 2023

**Attendees:** Phil Harper, Karen Foster, Elaine Harper, Julie Spuhler, Lizz Hepple & Fiona Wilson

**Broadband for the Village Hall** - Will call and see what offers BT have on at the minute.

Calendar App for Members to use.

Committee Members not to pay for events organised in the hall

Look at Bar Prices

**Next meeting date: Tuesday 6<sup>th</sup> June @ 7pm in Hall - AGM**

# Annual Governance and Accountability Return 2022/23 Form 3

To be completed by Local Councils, Internal Drainage Boards and other Smaller Authorities\*:

- where the higher of gross income or gross expenditure exceeded £25,000 but did not exceed £6.5 million; or
- where the higher of gross income or gross expenditure was £25,000 or less but that:
  - are unable to certify themselves as exempt (fee payable); or
  - have requested a limited assurance review (fee payable)

## Guidance notes on completing Form 3 of the Annual Governance and Accountability Return 2022/23

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Form 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with *Proper Practices*.
2. **The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:**
  - The **Annual Internal Audit Report** **must** be completed by the authority's internal auditor.
  - **Sections 1 and 2** **must** be completed and approved by the authority.
  - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved and published on the authority website/webpage **before 1 July 2023**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2023**. Reminder letters will incur a charge of £40 +VAT:
  - the Annual Governance and Accountability Return Sections 1 and 2, together with
  - a bank reconciliation as at 31 March 2023
  - an explanation of any significant year on year variances in the accounting statements
  - notification of the commencement date of the period for the exercise of public rights
  - Annual Internal Audit Report 2022/23

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the limited assurance review and is able to give an opinion, the Annual Governance and Accountability **Section 1, Section 2 and Section 3 – External Auditor Report and Certificate** will be returned to the authority by email or post.

## Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2023 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2022/23**, approved and signed, page 4
- **Section 2 - Accounting Statements 2022/23**, approved and signed, page 5

Not later than 30 September 2023 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

\*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

## Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2022/23

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2023.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2022) equals the balance brought forward in the current year (Box 1 of 2023).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2023**.

| Completion checklist – 'No' answers mean you may not have met requirements |                                                                                                                                                                                    | Yes | No |
|----------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| All sections                                                               | Have all highlighted boxes have been completed?                                                                                                                                    |     |    |
|                                                                            | Has all additional information requested, including <b>the dates set for the period for the exercise of public rights</b> , been provided for the external auditor?                |     |    |
| Internal Audit Report                                                      | Have all highlighted boxes been completed by the internal auditor and explanations provided?                                                                                       |     |    |
| Section 1                                                                  | For any statement to which the response is 'no', has an explanation been published?                                                                                                |     |    |
| Section 2                                                                  | Has the Responsible Financial Officer signed the accounting statements before presentation to the authority for approval?                                                          |     |    |
|                                                                            | Has the authority's approval of the accounting statements been confirmed by the signature of the Chairman of the approval meeting?                                                 |     |    |
|                                                                            | Has an explanation of significant variations been published where required?                                                                                                        |     |    |
|                                                                            | Has the bank reconciliation as at <b>31 March 2023</b> been reconciled to Box 8?                                                                                                   |     |    |
|                                                                            | Has an explanation of any difference between Box 7 and Box 8 been provided?                                                                                                        |     |    |
| Sections 1 and 2                                                           | Trust funds – have all disclosures been made if the authority as a body corporate is a sole managing trustee? <b>NB:</b> do not send trust accounting statements unless requested. |     |    |

# Annual Internal Audit Report 2022/23

ENTER NAME OF AUTHORITY

ENTER PUBLICLY AVAILABLE WEBSITE/WEBPAGE ADDRESS

**During** the financial year ended 31 March 2023, this authority's internal auditor acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with the relevant procedures and controls in operation and obtained appropriate evidence from the authority.

The internal audit for 2022/23 has been carried out in accordance with this authority's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of this authority.

| Internal control objective                                                                                                                                                                                                                                                                                                                                                 | Yes | No* | Not covered** |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|-----|---------------|
| <b>A.</b> Appropriate accounting records have been properly kept throughout the financial year.                                                                                                                                                                                                                                                                            |     |     |               |
| <b>B.</b> This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.                                                                                                                                                                                               |     |     |               |
| <b>C.</b> This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.                                                                                                                                                                                                                             |     |     |               |
| <b>D.</b> The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.                                                                                                                                                                                                |     |     |               |
| <b>E.</b> Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.                                                                                                                                                                                                                     |     |     |               |
| <b>F.</b> Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.                                                                                                                                                                                                                            |     |     |               |
| <b>G.</b> Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.                                                                                                                                                                                                     |     |     |               |
| <b>H.</b> Asset and investments registers were complete and accurate and properly maintained.                                                                                                                                                                                                                                                                              |     |     |               |
| <b>I.</b> Periodic bank account reconciliations were properly carried out during the year.                                                                                                                                                                                                                                                                                 |     |     |               |
| <b>J.</b> Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.                                                        |     |     |               |
| <b>K.</b> If the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. <i>(If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")</i>                                                                                                      |     |     |               |
| <b>L.</b> The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation.                                                                                                                                                                                                  |     |     |               |
| <b>M.</b> In the year covered by this AGAR, the authority correctly provided for a period for the exercise of public rights as required by the Accounts and Audit Regulations <i>(during the 2022-23 AGAR period, were public rights in relation to the 2021-22 AGAR evidenced by a notice on the website and/or authority approved minutes confirming the dates set).</i> |     |     |               |
| <b>N.</b> The authority has complied with the publication requirements for 2021/22 AGAR <i>(see AGAR Page 1 Guidance Notes).</i>                                                                                                                                                                                                                                           |     |     |               |

| O. (For local councils only)                                                            | Yes | No | Not applicable |
|-----------------------------------------------------------------------------------------|-----|----|----------------|
| Trust funds (including charitable) – The council met its responsibilities as a trustee. |     |    |                |

For any other risk areas identified by this authority adequate controls existed (list any other risk areas on separate sheets if needed).

**\*If the response is 'no' please state the implications and action being taken to address any weakness in control identified (add separate sheets if needed).**

**\*\*Note:** If the response is 'not covered' please state when the most recent internal audit work was done in this area and when it is next planned; or, if coverage is not required, the annual internal audit report must explain why not (add separate sheets if needed).

## Section 1 – Annual Governance Statement 2022/23

We acknowledge as the members of:

ENTER NAME OF AUTHORITY

our responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements. We confirm, to the best of our knowledge and belief, with respect to the Accounting Statements for the year ended 31 March 2023, that:

|                                                                                                                                                                                                                                                                                                 | Agreed |     |                                                                                                                                                                                                |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|-----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                                                                                                                                                                 | Yes    | No* | 'Yes' means that this authority:                                                                                                                                                               |
| 1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.                                                                                                                                                  |        |     | <i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>                                                                                               |
| 2. We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.                                                                                                                                  |        |     | <i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>                                                                     |
| 3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances. |        |     | <i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>                                                                                     |
| 4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.                                                                                                                               |        |     | <i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>                                                               |
| 5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.                                                                            |        |     | <i>considered and documented the financial and other risks it faces and dealt with them properly.</i>                                                                                          |
| 6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.                                                                                                                                                          |        |     | <i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i> |
| 7. We took appropriate action on all matters raised in reports from internal and external audit.                                                                                                                                                                                                |        |     | <i>responded to matters brought to its attention by internal and external audit.</i>                                                                                                           |
| 8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.                                  |        |     | <i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>                                           |
| 9. (For local councils only) Trust funds including charitable. In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit.                         | Yes    | No  | N/A                                                                                                                                                                                            |
|                                                                                                                                                                                                                                                                                                 |        |     | <i>has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>                                                               |

**\*Please provide explanations to the external auditor on a separate sheet for each 'No' response and describe how the authority will address the weaknesses identified. These sheets must be published with the Annual Governance Statement.**

## Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of

ENTER NAME OF AUTHORITY

### 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

### 2 External auditor’s limited assurance opinion 2022/23

(Except for the matters reported below)\* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (\*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

### 3 External auditor certificate 2022/23

We certify/do not certify\* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

\*We do not certify completion because:

Our Ref: ZB23/01247/FUL  
Date: 22 June 2023  
Officer: Mr Thomas Pilling

Dear Sir/Madam

**PROPOSAL:** Full planning application for construction of a single storey extension and enlarged domestic curtilage.

**LOCATION:** Thornhill Farm Black Horse Lane Potto Northallerton

**APPLICANT:** Mr S Dawson

A Planning application has been received on which your Council's comments are invited. All information to accompany this planning application can be obtained as follows (see below):

- Log onto public access using the following link: [public access](#)
- Enter **Planning Reference Number** (see above) then click **Search**

You can provide your comments in one of two ways:

- By email direct to the above address quoting the reference number (given at "my ref" above);
- By writing to us

If your Council has no comments please can you let the Planning Officer know this too as this could help us to issue decisions more quickly.

Please reply to this consultation as soon as possible, at the latest that should be within 21 days of the date of this consultation (your response should be received by 13 July 2023). This allows time for any further investigations that may be required as a result of your response. If this consultation period includes bank holidays then an extra day will be added per bank holiday for your comments to be received. You may wish to retain the plans beyond this date for future reference by yourselves or members of the public.

**TOWN AND COUNTRY PLANNING ACT 1990  
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990**

Dear Sir/Madam

**PROPOSAL:** Full planning application for construction of a single storey extension and enlarged domestic curtilage.  
**LOCATION:** Thornhill Farm Black Horse Lane Potto Northallerton  
**APPLICANT:** Mr S Dawson

The above application, which was received on 14 June 2023, has now been formally considered and determined by this Council. The decision on this proposal was: **Granted**. The comments which you made in respect of the proposal were taken into account in arriving at the decision.

A copy of the decision notice and planning report explaining how the decision was arrived at is now available to view on our website. [www.northyorks.gov.uk](http://www.northyorks.gov.uk)

If you require further information about this matter please do not hesitate to contact the case officer Mr Thomas Pilling who will be pleased to help. I would, however, draw your attention to the fact that only the applicant has a right of appeal against the decision.

Yours faithfully

*Planning Services*

# **POTTO VILLAGE HALL MANAGEMENT COMMITTEE**

## **Minutes of meeting held Thursday 5<sup>th</sup> October 2023**

**Attendees:** Julie Spuhler, Karen Foster, Lizz Hepple , Fiona Wilson, Anne Chatterton & Kiran Gill

**Apologies:**

### **1. Matters arising from the last minutes**

### **2. Bookings**

- Yoga Class with Suzanne Calvert - Mondays 9.30 – 11am
- Hutton Rudby & Potto Cubs – Mondays 6.30 – 8pm
- Sunday Night Quiz - Sundays 7.30 – 10.30pm
- Halloween Pub Night – Saturday 28<sup>th</sup> October – 7pm
- Done to Death Play – Friday 17<sup>th</sup> November 2023
- Prestons of Potto – Saturday 9<sup>th</sup> December – 7.30-3.30pm
- Carolyn Hopper – NYE Party - 31<sup>st</sup> December 2023
- Ali Sadler – 60<sup>th</sup> Birthday Party – Saturday 10<sup>th</sup> February 2024
- Phil & Elaine – Private Party – 4/5<sup>th</sup> May 2024

**Chris Woods from Yorkshire Community Learning** has booked the Hall for various dates through to November – all dates are in the Time Tree Calendar

### **3. Maintenance**

Car Park & Kitchen Outside light not working – FW has checked and thinks the whole unit needs replacing.

Radiators to be bled at some point

2<sup>nd</sup> Tuesday of each month – Heather to clean the Hall.

Inside ceiling lights to be cleaned at some point. – Sort cleaning party one Sunday.

New flooring to be cleaned and resealed every 2/3 years on the recommendation of the floor fitters.

Roof on First shed - Felt has blown off in the recent winds – Lizz & Julie have repaired it.

### **4. Finance**

As of October 2023

Metro Bank Current Account £5186.16

Metro Bank Instant Access Savings £11,606.19

We made £11.28 interest this month.

There has been no communication from HMRC since we wrote to them in June 2021. We must assume that we have been de-registered and are not liable for any charges.

FITT Payment received - £406.87

Garth Bayle payment received - £190.00

Moorfields donation for borrowing chairs - £50.00

PAT Testing – Paid £81.50

Premises Licence - Paid £70.00

## 5. 100 Club

1<sup>st</sup> Prize Richard & Val Walker

2<sup>nd</sup> Prize Andy & Janet Wilde

## 6. Health & Safety

### Health & Safety Checks Due

|                                       |                                 |

| Annual Fire Drill                     | Next AGM                        |
| Annual Asbestos check – Roof Verges   | October 2023                    |
| Quarterly Visual Inspections          | Done (record in log book)       |

- 1 - Oil Tank Inspection
- 2 - Exit routes and signs
- 3 - Emergency lights
- 4 - Car park surface
- 5 - First Aid kit
- 6 - Fire Extinguishers

## 6. Event planning

## **PLAY SET UP**

!pm Hall to set bar up  
6.30pm arrive before start  
Raffle Tickets & Door  
Bar  
Tidy up afterward as hall needed Saturday

PH & LH  
ALL  
JS/KF  
AC/KG/LH  
ALL

## **HALLOWEEN PUB NIGHT**

Sausages in buns – Ketchup, Mustard, BBQ Sauce  
Nibbles for tables  
Decorate hall - Not available until after 4pm as class on.

## **AOB**

A – Issue with Mr Woodhouse  
B – Agreement with Hedge owners  
C – Parking  
D – Door Handle

Letter to be sent  
Speak to residents  
Monitor  
Monitor

**Broadband for the Village Hall - Ordered and installation date is Monday 16<sup>th</sup> October 2023.**

**Next meeting date: Tuesday 7<sup>th</sup> November @ 7pm in Hall**

# North Yorkshire Council Housing Strategy 2024 - 2029

## DRAFT

# 1. Introduction

This is the first housing strategy of the new North Yorkshire Council (NYC). It outlines our vision for housing across North Yorkshire, our priorities and the actions we will take. It provides a framework for the housing policies and projects we will deliver over the next five years.

North Yorkshire contains diverse housing markets, with varying housing needs and many challenges. Local Government Reorganisation has given us a once in a generation opportunity; to transform services, drive innovation and improve outcomes for our communities and the people who need it most.

We will take a proactive approach to housing delivery, and we will develop a bold plan to deliver more homes, including more affordable homes, working with partners, across North Yorkshire over the next five years.

Our strategy demonstrates how we will use the new combined strength of the unitary authority and the advantage of being a stock holding Council to unlock greater resources, access funding opportunities and accelerate housing growth and regeneration, ensuring that we deliver sustainably, and develop inclusive places.

We are an ambitious Council, keen to deliver excellent housing services and to be an exemplar social landlord.

We will lead by example, driving up standards across our Council housing stock and taking enforcement action where we find landlords who are failing to meet safety requirements, ensuring decent and safe homes for all residents.

## 1.1 What does North Yorkshire look like?

North Yorkshire is the largest county in England and Wales, at over 8,000 square kilometres. The population is approximately 620,000, similar to major cities such as Leeds and Sheffield. However, the population density is 77 people per square kilometre, compared with the national average of 432 per square kilometre – this means that we are mostly rural with only two towns (Harrogate and Scarborough) having a population of over 50,000. Here are some more key housing facts:

**Population: 619,542**

**Population grown by 2.85% since 2011**

**25% of the population aged 65 or over**

**Working age population has fallen by 2.6% since 2011**

**Number of households: 274,381**

**Average No. of persons per household: 2.24, down from 2.33 in 2011**

**27% of housing stock built before 1919**

**18.7% of households rent privately**

**Average house price: £284,000**

**Average household income (after housing costs): £28,448**

**Average rent: £730 per calendar month**

**Over 108,000 residents limited by health and disability**

## 1.2 Strategic Context:

Housing and access to good quality affordable housing is critical to individual and community wellbeing. In strategic terms for the Council, housing is also:

- a driver for sustainable and inclusive economic growth,
- central to ensuring that our communities are sustainable and inclusive,
- vital to delivering our climate change ambitions and our net zero targets.

Within the North Yorkshire Council Plan (2023-2027), delivering “Good quality, affordable and sustainable housing that meets the needs of our communities” is a key ambition of the new Council. The Housing Strategy aligns with other key strategies within North Yorkshire including:

### Climate Change Strategy

### Economic Development Strategy

### Health and Wellbeing Strategy

### Current Local Plans and future North Yorkshire Local Plan

### York and North Yorkshire’s Devolution Deal

How we link with our strategic partners and work together is crucial to the Council meeting its housing objectives. We have a wide range of key partners including Homes England, the emerging Mayoral Combined Authority (MCA), Registered Providers (RPs), alongside our local voluntary and community sector, delivery partners, and communities.

Homes England has recently published its new Strategic Plan (2023-28) which puts a strong emphasis on levelling up, regeneration and on building a ‘housing and regeneration sector that works for everyone, driving diversification, partnership working, and innovation’. We will work alongside Homes England to develop action plans that deliver for our communities.

## 1.3 Challenges

There are some big challenges in North Yorkshire that affect our residents and communities, and impact on housing:

- an ageing population,
- significant inequalities in health and social outcomes,
- sparsely populated rural communities and pockets of deprivation,
- a low wage economy,
- housing affordability and access to good quality homes,
- improving the energy efficiency of our housing stock and reducing fuel poverty,
- the impacts of Climate Change on our population and communities.

Additionally, the Covid pandemic harmed our housing markets, exacerbating housing availability and affordability challenges.

It also highlighted long-term pressures linked to entrenched deprivation, the erosion of support infrastructure and the lack of supported housing.

We now face a ‘cost of living’ crisis, the impact of which we are only just starting to feel.

## 1.4 Opportunities and Aspirations

Despite the challenges, there are some great opportunities available to us. We have an opportunity to deliver housing growth both through working in partnership and by expanding our council housing stock. Working alongside partners through the York and North Yorkshire Housing Partnership we will look to develop a Housing Growth Plan and shared housing pipeline for the partnership area that links in with the housing aspirations of the Devolution Deal for York and North Yorkshire. Devolution presents opportunities to deliver housing at pace and meet our wider economic growth ambitions. The creation of a Mayoral Combined Authority and the new powers that this will bring, will also be a driver for our housing and economic growth ambitions.

Our aspirations for housing over the next five years, include:

- Consolidating the Housing Revenue Accounts - bringing together Council owned homes, sites and landlord services; putting high management standards, safety, and involving our tenants at the heart of what we do.
- Developing a Housing Growth Plan, which will include growing our own Council housing stock.
- Exploring the housing development potential of publicly owned land, including Council owned sites.
- Working with the York and North Yorkshire Housing Partnership to deliver the right homes in the right place, retrofit our homes, and invest in employment opportunities, including green skills.

- Delivering on our commitment to be carbon neutral by 2034 and the economic opportunities that brings.
- Realising the potential efficiencies of being one council; in particular, working with Health and Social Care colleagues to meet the needs of vulnerable residents, enable capacity and reduce pressure.
- Using our capacity as a landlord and housing enabler to tackle inequalities, especially around health, social and digital exclusion, by coordinating and targeting resources, intervention, and support to best effect.

Whilst acknowledging that there are risks, we are confident that by working together with our partners we can realise these aspirations. We have:

- A combined reputation for developing and delivering quality affordable homes.
- A strong track record of partnership working with Registered Providers to deliver affordable homes that meet a variety of needs.
- Demonstrable success in attracting Government funding to deliver homelessness prevention, private sector housing improvements, enable rural housing, and rough sleeping reduction.
- Experience in working closely, through our locality structures, with communities and community led organisations to provide housing to meet local needs.

## 2. Our Vision and Key Themes

Our Vision is to deliver:

‘Good quality, affordable and sustainable homes that meet the needs of all of our communities.’

### To do this we will work across three themes:

- **Our People**
- **Our Places**
- **Our Homes**

These themes represent what housing is all about; it's not just about the bricks and mortar. It is about our people and places, and how we can as a Council, with our partners, use our resources to support them.

# 3. Theme 1: Our People

'Our People' is about meeting the housing needs of our population and particularly our older households, homeless households, those threatened with homelessness, and households with support needs. It also includes specific groups such as Gypsies and Travellers, Refugees, and Asylum Seekers.

## Our key priorities for this theme are:

- Preventing and tackling homelessness
- Meeting the needs of our ageing population
- Meeting supported housing needs and the needs of specific groups

## 3.1 Preventing and tackling homelessness

Homelessness is a growing problem across North Yorkshire, exacerbated by the pandemic, and the on-going cost of living crisis. In addition, the supply of affordable housing in both the private rented and social rented sectors has significantly declined in the last three years. Despite these challenges we have achieved some successes in preventing homelessness, by taking proactive approaches to prevention and seeking innovative accommodation solutions.

As significant pressure remains, with sharp rises in the number of homeless assessments in some areas (Craven locality: increased by 71% from 2021 to 2022; Richmondshire locality: increased by over 250% from 17 to 60 in same period).

By far the biggest impact has been on the increased use of temporary accommodation for homeless households and the consequent increase in spending. As an example, within Scarborough, the cost of providing temporary accommodation increased from £281,000 in 2019/20 to £1.1 million in 2021/22. The use and cost of temporary accommodation is likely to continue to rise, as more households are threatened with homelessness and a reduced supply of "move-on" accommodation in both the private and social rented sectors.

### We will meet these challenges by:

- Bringing together homelessness prevention and support services across North Yorkshire to tackle homelessness, using a range of prevention tools, best practice, and interventions to prevent homelessness.
- Delivering new, innovative and existing accommodation solutions, including new temporary housing, and improving support and access to services.
- Doing all we can to reduce rough sleeping in North Yorkshire as much as possible, helping people live independent lives off the street.
- Undertaking a full Homeless Review, leading to a new Homelessness Strategy by 2025.

### 3.2 Meeting the needs of our ageing population

Currently one in four of our residents is aged 65 and over. The proportion of over 65s is predicted to increase further, with one in three of our residents expected to be 65 and over by 2035. Crucially, the number of over 85 year olds, who are more likely to use our services, is expected to grow by over 50% during the same period. We will need to develop our housing offer to ensure that it meets the needs of our growing older population.

We have had a successful Extra Care programme over the last 20 years, which has seen the provision of new Extra Care schemes in virtually all of our main settlements. We need to continue to develop similar services and also look at new models of Extra Care and other specialised housing for older people. We recognise that we cannot meet all needs through the provision of new specialist accommodation and many older households will choose to remain living in their own home. Our Home Improvement Agencies (HIAs) will be essential ensuring that as many older residents as possible are supported to live independently.

We know that some of our Council housing stock, which was developed specifically for older people, is not fit for purpose anymore and is becoming hard to let. We will update this stock to ensure that it meets the needs of our older households.

#### We will meet these challenges by:

- Updating our extra care offer to meet changing needs, including developing new models of extra care to accommodate smaller schemes in rural areas, supporting those with complex needs, including working age people with learning and physical disabilities, as well as people with dementia,
- Working with Health and Social Care colleagues to ensure a holistic approach to meeting the needs of older people,
- Updating our own homes to provide improved specialist and adaptable housing for older people.

### 3.3 Meeting supported housing needs and the needs of specific groups

Supported housing needs vary across North Yorkshire and include the needs of those with physical and learning disabilities, and residents with mental health issues. 17.5% of residents in North Yorkshire were limited in some way by a health or disability. Whilst some residents with support needs will seek some form of specialist accommodation, many will want to remain living in their own homes.

For those with physical disabilities the Council's Home Improvement Agencies (HIA) in conjunction with Health and Social Care are well placed to support people living independently, including through the use of Disabled Facilities Grants (DFGs). Better integration with Health and Social Care is key to ensuring that we meet other supported housing needs, including learning difficulties and mental health needs, as well as families with children with disabilities. The Council now has a great opportunity to marry up its resources to meet all supported housing needs.

The retention of a structured housing pathway for care leavers through a joint partnership with Children and Young Peoples Services is a priority; ensuring that this is resourced effectively going forward.

We will continue to meet the housing needs of our Gypsy and Traveller communities, through the provision of both high quality and easily accessible sites and support services.

A more recent challenge has been the resettlement of refugees and asylum seekers across North Yorkshire. In parts of North Yorkshire, refugees and asylum seekers have been located in hotels and other temporary accommodation. As these communities begin to settle in local neighbourhoods, there is a need to support them to secure more permanent accommodation and provide on-going support services.

#### We will meet these challenges by:

- Ensuring better integration of health and social care in line with the Start Well – Live Well – Age Well approach community based preventative pathways.
- Enhancing home improvement services to ensure that homes can be adapted to meet the needs of residents.
- Working together to deliver a more efficient and effective Young Peoples Housing Pathway.
- Helping residents to live independently with the aid of assistive technology, including undertaking an options appraisal of all available service delivery models.
- Supporting refugee resettlement pathways and support services via a dedicated refugee resettlement team.
- Ensuring that the housing needs of Gypsy and Traveller communities are met.

## 4. Theme 2: Our Places

'Our Places' is about our towns, villages and neighbourhoods and the housing market challenges they face, and what we can do to tackle them.

Our key priorities for this theme are:

- Growing the supply of affordable and available housing
- Addressing the rural housing crisis
- Supporting communities through neighbourhood renewal and regeneration

## 4.1 Growing the supply of affordable and available housing

Parts of North Yorkshire have some of the least affordable housing outside the South East of England, with property price/ household income (after housing costs) ratios averaging 10 times across the whole of North Yorkshire in 2021, even reaching 13 times in the Harrogate locality. The average house price in North Yorkshire had risen to £284,000 in October 2022, an increase of over £100,000 in 12 years.

Affordability is exacerbated by North Yorkshire's low wage economy; median annual pay is as low as £20,000 in some locations, significantly below the national average of £26,000. This means that fewer local households can afford to purchase a home on the open market and are reliant on other forms of tenure. We understand that a lack of access to affordable housing acts as a barrier to economic growth, as well as putting pressure on the delivery of essential services as those on lower income struggle to access housing within our high value constrained housing market and we are committed to increasing the availability of affordable housing.

Home ownership levels are high in North Yorkshire with almost 70% of households owning their own home (England: 63.75%). By contrast social rented housing accounts for less than 12% of our households (England: 16.6%). In some localities (Craven, Harrogate) it is less than 10%. As a result, we have a chronic lack of affordable housing, particularly in some of our most expensive places to live.

We understand that a lack of access to affordable housing acts as a barrier to economic growth, as well as putting pressure on the delivery of essential services as those on lower income struggle to access housing within our high value constrained housing market.

"Our Places" are also affected by growing shortages of affordable private rented housing. The attractive nature of North Yorkshire makes it a popular holiday destination. Since the Covid pandemic the demand for 'staycations' has risen, which has resulted in an increase in the levels of short-term holiday lets.

Decreasing numbers of private rentals result in higher demand and rising rents, making private rented homes less affordable to would be renters on low incomes. It is also severely affecting the overall supply of residential housing in locations such as Whitby, Filey, coastal villages and much of our National Parks. As a result, we urgently need to increase the supply of affordable housing.

### We will meet these challenges by:

- Delivering at least 2,537 new homes per year across all tenures, including a minimum of 802 new affordable homes each year. We will also look at how we can work with our partners through the York and North Yorkshire Housing Partnership to deliver the affordable homes that we need.
- Developing an ambitious Council Housing (Housing Revenue Account) Business Plan, which will include growing the Council's housing stock.
- Working with the Mayoral Combined Authority and City of York Council to develop a Housing Growth Plan and supply pipeline, as well as deliver the Brownfield Housing Fund allocation.
- Pursuing opportunities to bolster housing supply (temporary and permanent) in the medium to long term by working with new partners such as the Ministry of Defence, and One Public Estate.
- Maximising all sources of funding to support affordable housing viability and boost delivery.
- Reviewing all our land assets to identify land that could be used for new housing (affordable and market homes).
- Developing our affordable housing delivery model, ensuring that we capture the best delivery models and develop them further to enhance affordable housing supply.
- Working with partners, including the Mayoral Combined Authority, to better understand the need for key worker accommodation across North Yorkshire.

## 4.2 Addressing the rural housing crisis:

North Yorkshire is the largest geographical county in England covering 3,000 square miles of predominantly rural terrain, where 35% of our population live. Only 2% of our localities are urban but these areas accommodate 65% of our population. There are only two towns with a population in excess of 50,000. All other towns have a population of less than 25,000.

Sparsely and super-sparsely populated communities present a challenge in terms of inclusion and community sustainability, as well as service delivery. In sparsely populated rural areas people can experience physical and digital isolation with difficulty accessing services, jobs and transport links.

Housing is more expensive within these areas, both to rent and to buy, and affordable housing supply is limited. We know that rural poverty is often hidden and the financially vulnerable are dealing with higher cost of living increases, fuel poverty and insecure employment. a lack of digital connectivity and the persistence of 'not spots' exacerbates exclusion and disadvantage in our rural areas. More rural affordable with better connectivity is essential to ensuring inclusion and the sustainability of our rural communities.

### We will meet these challenges by:

- Supporting the Rural Housing Enabler Partnership and Community Led Housing groups – to ensure a supply of housing is maintained, of the right quality, type and tenure in rural areas.
- Keeping sufficient focus on affordable housing supply in our rural communities.
- Working with key partners to ensure that rural affordable homes are digitally enabled.
- Working with the York and North Yorkshire Housing Partnership, the Mayoral Combined Authority, and Homes England to develop an enhanced rural affordable housing supply pipeline, and ensure that there is sufficient investment to deliver the homes needed.

## 4.3 Supporting communities through neighbourhood renewal and regeneration

Whilst most of North Yorkshire is relatively affluent with low levels of deprivation, there are some very high concentrations of deprivation. A significant part of Scarborough town is within the most 10% deprived neighbourhoods in the country

and 85% of North Yorkshire's most deprived residents reside in Scarborough, with further pockets of high deprivation in Selby and Harrogate. The levels of deprivation are in line with those of inner-city metropolitan locations.

### Index of Multiple Deprivation (IMD) - Indices of Deprivation 2019 North Yorkshire LSOAs by National Quintile

Contributing to the levels of deprivation are:

- A low wage economy.
- High levels of households reliant on benefits.
- Low educational and skill levels.
- A poorer physical environment.
- Significantly high concentrations of private rented properties (over 50% in inner Scarborough).

There is a need to develop a holistic neighbourhood renewal approach to address these issues in partnership with other key service areas (Planning, Economic Development, Environmental services, Health) and external partners.

North Yorkshire has some major strategic regeneration projects and priorities, including the redevelopment of Catterick Town Centre, where £19m Levelling Up Fund investment is regenerating the town centre. This investment has the potential to unlock significant future brownfield housing sites within Catterick. There are significant regeneration projects within Selby and new settlements being created at Maltkiln (between 3,000 and 4,000 new homes), and Ripon Barracks (1,300 new homes). These projects are catalysts, not just for the delivery of housing but generating economic growth and key infrastructure

improvements that will benefit the whole of North Yorkshire.

Tackling empty homes will also support regeneration in local neighbourhoods and will provide more homes for local households, including more affordable homes.

Whilst the proportion of long-term empty homes across North Yorkshire is roughly similar to the national average at just over 1%, this is still over 3,000 empty homes. There are slightly higher proportions of empty homes around Skipton and Malton.

### Regeneration in Selby

The latest census data shows Selby had the highest percentage increase in population of any local authority in Yorkshire and Humber between 2011 and 2021 with over 10% growth.

Within Selby itself are two major brownfield housing allocations at the former Rigid Paper site (330 homes) and ICL (450 homes), together with the adjacent Selby Station Quarter regeneration area, which also has scope for redevelopment for residential uses. This suite of sites can provide a new urban village of around 1000 homes next to the town's rail and bus stations, which themselves are being transformed through the £28m Selby Station Gateway project.

Heronby (south west of Escrick) is the proposed new settlement in the most recent Selby District Local Plan (3387 homes by 2065). At Eggborough, an allocation remains for 1500 dwellings by 2048. This mixed use development will comprise of residential, open space and education.

In addition, the Cross Hills Lane site at Selby is allocated for 1270 dwellings by 2043. This will be a mixed use development, comprising: residential, open space, community and local shopping facilities and education.

### We will meet these challenges by:

- Developing an approach to neighbourhood renewal for our most deprived neighbourhoods.
- Working with key partners to support communities through projects that will improve their local environment.
- Working in partnership with the Mayoral Combined Authority and Homes England to drive strategic regeneration projects across North Yorkshire.
- Developing a new Empty Homes Strategy to bring long term empty properties back into use.

## 5. Theme Three: Our Homes

Our Homes is about the challenges with our housing stock and how we can improve housing to ensure it is decent and affordable. We face huge challenges in ensuring that existing homes are decent, energy efficient, and can contribute to meeting our wider Climate Change aspirations. We also need to ensure that all new build housing meets the highest standards, and actively contributes to meeting our Climate Change aspirations.

### Our key priorities for this theme are:

- **Decarbonising the whole housing stock, including our Council homes, making them more energy efficient and affordable to live in, reducing fuel poverty**
- **Ensuring that new housing supply of all tenures contributes to our net zero ambitions**
- **Addressing stock condition issues, improving poor quality housing in all tenures**
- **Ensuring that our Council housing stock remains decent and continues to improve**

## 5.1 Decarbonising the whole housing stock

In North Yorkshire over 27% of the housing stock was built before 1919 (England: 21%). Older housing stock is often less well insulated and less energy efficient due to its construction, making it more difficult to improve.

This in turn is a contributory factor to fuel poverty - over 15% of our households were recorded as being in fuel poverty in 2020. With rising energy costs and wider costs of living increases, the proportion of households experiencing fuel poverty is likely to rise.

In North Yorkshire, 18.7% of households privately rent their home, which is just below the national average of around 19%. There are higher levels of privately rented properties in Richmondshire (21%) and Scarborough (22%), with very high concentrations (over 50%) in parts of Scarborough. Privately rented stock tends to be older, has a higher rate of non-decent homes, and a higher proportion of lower income households. There will also be higher rates of less energy efficient privately rented stock and, consequently, higher proportions of households in fuel poverty.

Sub-regional fuel poverty estimates 2020

Work has already started to retrofit the council's housing stock, with work underway in the Harrogate locality to retrofit homes with an EPC E or F rating to bring them up to an EPC C. However, a comprehensive plan for all our council homes needs to be developed to ensure all properties meet EPC "C".

### We will meet these challenges by:

- Developing a social housing decarbonisation plan, with the aim of getting all our council homes to achieve EPC C and up to Decent Homes Standard (when the target date is announced by Government).
- Working with our Registered Provider partners and Homes England to implement investment plans to make their homes warmer and more affordable to live in.
- Attracting Government funding to improve and decarbonise our private sector housing homes.

5.2 Ensure that new housing supply of all tenures contributes to our net zero ambitions

Ensuring that all new homes are built to high energy efficiency standards and contribute to our net zero ambitions is also crucial to achieving our Climate Change aspirations. Whilst progress has been made in recent years in uplifting the energy efficiency of new homes built, the recent introduction of Part L (conservation of fuel and power) of the Building Regulations, which came into force in 2022, and the proposed implementation of the Future Homes Standard in 2025, should contribute positively to these aspirations. Ensuring new homes are built to high energy efficiency standards will help ease energy costs during the current cost of living crisis.

We will meet these challenges by:

- Implementing new Design Codes to ensure an increase in the quality of new housing, working towards the Future Homes Standard and Nationally Described Space Standards.
- Ensuring that all new Council homes are built to Future Homes Standard and meet EPC C as a minimum with a net zero carbon aim.
- Supporting our Registered Provider partners to meet net zero carbon ambitions in the delivery of new affordable homes.

5.3 Address stock condition issues, improving poor quality housing in all tenures

Ensuring that all new homes are built to high energy efficiency standards and contribute to our net zero ambitions is also crucial to achieving our Climate Change aspirations. Whilst progress has been made in recent years in uplifting the energy efficiency of new homes built, the recent introduction of Part L (conservation of fuel and power) of the Building Regulations, which came into force in 2022, and the proposed implementation of the Future Homes Standard in 2025, should contribute positively to these aspirations. Ensuring new homes are built to high energy efficiency standards will help ease energy costs during the current cost of living crisis.

We will meet these challenges by:

- Implementing new Design Codes to ensure an increase in the quality of new housing, working towards the Future Homes Standard and Nationally Described Space Standards.
- Ensuring that all new Council homes are built to Future Homes Standard and meet EPC C as a minimum with a net zero carbon aim.
- Supporting our Registered Provider partners to meet net zero carbon ambitions in the delivery of new affordable homes.

The English Housing Survey (2021-22) shows 14% of all homes were deemed non-decent. Within the private rented sector the proportion is higher at 23%. Based on these figures, it is estimated that approximately 38,500 of all our homes are non-decent, of which almost 12,000 will be privately rented.

The level of resources needed to tackle the issue is challenging, especially in the private rented sector. We have successfully bid for Government funding to set up a Pathfinder project to increase resources in our Private Sector Housing Renewal teams, with special focus on locations where resources have been scarce previously.

We will undertake an assessment of the private rented sector across the whole of North Yorkshire, in the form of a “State of the Nation” report. This will provide an overall assessment of the private rented stock and market, which will inform future strategic planning and help us to target resources appropriately.

We will meet these challenges by:

- Producing a private housing stock condition baseline and a retrofit action plan to inform future investment.
- Tackling stock condition issues, improving poor quality housing across all tenures.
- Working with the Mayoral Combined Authority to deliver the Carbon Abatement Pathway.
- Using our legal powers to enforce and raise standards in the private rented sector - taking a consistent and firm approach to raising housing standards, including the further development of selective licencing schemes.

## 5.4 Ensuring the Council housing stock remains decent and continues to improve

Managing 8,500 council homes, we are a major social housing landlord. We want to ensure that all of our residents live in a decent home. Whilst the vast majority of our stock meets the Decent Homes Standard, we know that just over 200 of the homes within our stock are classed as Non-Decent (LAHS: 2021/22).

As well as bringing the current non-decent homes up to the Decent Homes Standard we will invest in an improvement programme to ensure that our homes are the highest standard possible. We know that some of our housing stock may no longer be fit for purpose. We need to appraise the stock and ensure that it meets modern standards, including installing digital technology to suit modern needs.

The recent case of a child's death, elsewhere in the country, caused by damp and mould in their social home, has led to increased regulation of safety in social housing. We will tackle any mould and damp issues in our properties effectively and ensure that we have a plan and resources in place to respond to all complaints of damp and mould within set timescales.

We aim to become an exemplar landlord, providing high quality tenancy services. We will meet the expectations of the Charter for Social Housing Residents and look to develop our key policies in line with this and the new Social Housing Regulations 2022/23.

### We will meet these challenges by:

- Implementing a robust investment plan for all our Council housing stock over the next 30 years.
- Putting tenant safety first and fully meeting our regulatory responsibilities, including the eradication of mould and damp issues within set timescales.
- Developing a new Tenancy Strategy and establishing clear and high standards for the delivery of tenancy services.
- Appraising our Council housing stock and re-purposing where required.

## 6. Addressing our Equality Objectives

The North Yorkshire Council Plan has set a range of key equality objectives for the Council:

- To understand the needs of our communities and work with them to meet those needs
- To demonstrate commitment to equality, diversity and inclusion as an organisation, show leadership across the county and work in partnership to improve equality, diversity and inclusion
- To provide responsive services and effective customer care to all
- To have a diverse and engaged workforce and fair and inclusive employment practices

We will meet these objectives through the following actions and approaches:

- We will ensure equality of service to all our tenants, residents, customers and partners, including improving our equality monitoring arrangements.
- We will identify and address the needs of any specific groups including ethnic minorities, the LGBTQ community, Gypsy and Traveller community

- We will identify and address the needs of vulnerable households and groups such as older people, people with physical disabilities, people with learning difficulties and all other people with supported housing needs
- We will ensure that our policies are fair and non-discriminatory and equally accessible to all residents
- We shall meet the requirements of the Armed Forces Covenant and new due-regard duty, with respect to all our Housing Services and ensure that it is reflected within all of our housing policies, with specific regards to the Allocations Policy, Tenancy Strategy, Disabled Facilities Grant Policy and Homelessness Strategy.

# 7.Key performance indicators and strategy review

Setting out our high-level housing ambitions and priorities is just the start of the strategic planning process. A key tool in delivering our strategy is monitoring our performance and tracking trends which may impact on that performance. We will publicly monitor performance against the following Key Performance Indicators. These will be backed up by a wider dashboard of performance measures and market trends.

## 7.1 Theme One: Our People

| Measure                                                             | Frequency |
|---------------------------------------------------------------------|-----------|
| Number of new homes specifically developed for older people         | Annual    |
| Number of homeless assessments                                      | Quarterly |
| Number of successful homeless preventions and reliefs               | Quarterly |
| Number of households in temporary accommodation                     | Quarterly |
| Number of rough sleepers                                            | Quarterly |
| Number of Disabled Facilities Grants completed                      | Quarterly |
| Number of refugee households resettled into permanent accommodation | Annual    |

## 7.2 Theme Two: Our Places

| Measure                                                            | Frequency |
|--------------------------------------------------------------------|-----------|
| Overall new housing completions                                    | Annual    |
| Number of Housing Revenue Account new builds (direct delivery)     | Annual    |
| Number of Housing Revenue Account acquisitions (buy back and S106) | Annual    |
| Affordable housing completions                                     | Annual    |
| Number of empty homes brought back into use                        | Annual    |
| Community-Led Housing completions and engagements                  | ½ Yearly  |
| Rural Housing Enabler programme completions                        | ½ Yearly  |
| Units delivered through the Development Partnership                | ½ Yearly  |

## 7.3 Theme Three: Our Homes

| Measure                                                                | Frequency |
|------------------------------------------------------------------------|-----------|
| Number of Council owned homes improved through retrofit initiatives    | Annual    |
| Number of private homes improved through energy efficiency initiatives | Annual    |
| Number of homes achieving EPC C or above                               | Annual    |
| Number of private sector enforcement notices served                    | Annual    |
| Number of new homes built to Future Homes Standards                    | Annual    |
| Number of Council homes improved through Improvement Programme         | Annual    |

## 7.4 Strategy Review

Progress on the delivery of this strategy will be monitored by the Assistant Director for Housing on a quarterly basis and reported to the Executive Member for Housing Growth annually. The Strategy will be reviewed after three years.

## **Hambleton Command: Town and Parish Council Report**

|                               |                                                      |
|-------------------------------|------------------------------------------------------|
| <b>Town or Parish:</b>        | Potto                                                |

# POTTO VILLAGE HALL MANAGEMENT COMMITTEE

## Amended - Minutes of meeting held Tuesday 7<sup>th</sup> November 2023

**Attendees:** Julie Spuhler, Karen Foster, Lizz Hepple , Fiona Wilson, Anne Chatterton & Kiran Gill

**Apologies:**

### **1. Matters arising from the last minutes**

*A local resident has made a formal assertion of criminal damage against another resident and VHC member. This matter is being looked into and the VHC has delegated the responsibility for this to a sub-committee of the VHC to report back in due course, post a meeting with the said resident.*

*Pertaining to the matter of criminal damage reported at the VHC meeting the sub-committee met the said resident to determine the full nature of their assertion and what outcome they ultimately were looking for. The meeting took place and was recorded with the agreement of all parties. It was agreed at that meeting a formal, but also final, response would be given to the resident in due course.*

### **2. Bookings**

- Yoga Class with Suzanne Calvert - Mondays 9.30 – 11am
- Hutton Rudby & Potto Cubs – Mondays 6.30 – 8pm
- Sunday Night Quiz - Sundays 7.30 – 10.30pm
- Done to Death Play – Friday 17<sup>th</sup> November 2023
- Prestons of Potto – Saturday 9<sup>th</sup> December – 7.30-3.30pm
- Sparkle Night – Friday 15<sup>th</sup> December 2023
- Carolyn Hopper – NYE Party - 31<sup>st</sup> December 2023
- New Years Dinner – 70's theme - Saturday 27<sup>th</sup> January 2024
- Ali Sadler – 60<sup>th</sup> Birthday Party – Saturday 10<sup>th</sup> February 2024
- Phil & Elaine – Private Party – 4/5<sup>th</sup> May 2024

**Chris Woods from Yorkshire Community Learning** has booked the Hall for various dates through to November – all dates are in the Time Tree Calendar

### **3. Maintenance**

Car Park & Kitchen Outside light not working – FW has checked and thinks the whole unit needs replacing.

Radiators to be bled at some point

2<sup>nd</sup> Tuesday of each month – Heather to clean the Hall.

Inside ceiling lights to be cleaned at some point. – Sort cleaning party one Sunday.

New flooring to be cleaned and resealed every 2/3 years on the recommendation of the floor fitters.

#### 4. Finance

As of November 2023

Metro Bank Current Account £6366.86

Metro Bank Instant Access Savings £11,618.02

We made £11.83 interest this month.

There has been no communication from HMRC since we wrote to them in June 2021. We must assume that we have been de-registered and are not liable for any charges.

Ali Sadler donated £50 to the VH along with her 100 Club money

Sum Up Machine - £90.00 Paid

About a £180 profit was made on the pub night after all deductions for food etc were taken off. ( £442 on the bar, £90 on food, £270 of that was taken using our new card machine).

#### 5. 100 Club

|                       |                        |
|-----------------------|------------------------|
| 1 <sup>st</sup> Prize | Rod & Sue Hill         |
| 2 <sup>nd</sup> Prize | John & Laura Griffiths |

#### 6. Health & Safety

##### Health & Safety Checks Due

|                                       |                                 |
|---------------------------------------|---------------------------------|
| 5 Year wiring repairs                 | March 2024                      |
| 5 Year ceiling check                  | Jan 2028 – (Visual done in Jan) |
| 1 Year PAT Testing                    | September 2024                  |
| Annual Fire Extinguisher check        | March 2024                      |
| Annual Boiler Service                 | Feb 2024                        |
| Annual Fire & General Risk Assessment | Sep 2024                        |
| Annual Fire Drill                     | Next AGM                        |
| Annual Asbestos check – Roof Verges   | October 2024                    |
| Quarterly Visual Inspections          | Done (record in log book)       |

1 - Oil Tank Inspection

- 2 - Exit routes and signs
- 3 - Emergency lights
- 4 - Car park surface
- 5 - First Aid kit
- 6 - Fire Extinguishers

## 6. Event planning

## PLAY SET UP

Production people arriving at 3pm - they require food for 2 people @ 5.30pm **LH**

|            |     |     |
|------------|-----|-----|
| BAR SET UP | 1pm | ALL |
|------------|-----|-----|

Return back at 6.45pm **ALL**

Hall to be cleared on the evening as workshop on Saturday morning. **ALL**

**Next meeting date: Tuesday 5<sup>th</sup> December @ 7pm in Hall**

# POTTO PARISH COUNCIL

District  
Hambleton

County  
North Yorkshire

01/11/2023

## REPORT ON PROPOSED BUDGET FOR 2024-25

The following report details the proposed budget for Potto parish council for the financial year 2024-25 which will form the basis of our precept request to the unified North Yorkshire council.

This report has been prepared in a time of financial instability for both the private and public sector as a whole, inflation is rising markets are uncertain and North Yorkshire is undergoing a period of radical reform in its local government. It is within this context that this budget has been prepared as can be seen in Table 1.

### Expenditure

The following expenditure is planned for the 2024-25 financial year.

|                     |                                                                                                                                                            |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Salaries            | These are in line with NALC revised 2022-23 National Salary Award as agreed by PPC in 2022. It is anticipated that this will increase for the year 2024-25 |
| Travel Allowance    | None                                                                                                                                                       |
| Petty Cash          | No petty cash expenditure anticipated.                                                                                                                     |
| Insurance Premium   | Remains at 2023 level, however this is expected to rise due to inflation,                                                                                  |
| Village Hall Costs  | Expected to remain the same.                                                                                                                               |
| Grass Cutting       | Expected to increase due to fuel increases.                                                                                                                |
| YLCA Subscription   | Expected to remain the same.                                                                                                                               |
| Clerks & Councils   | A small increase is anticipated.                                                                                                                           |
| SLCC Subscription   | A small increase is anticipated.                                                                                                                           |
| CPRE Subscription   | A small increase is anticipated.                                                                                                                           |
| Whorlton PCC        | Remains at £250.                                                                                                                                           |
| External Audit      | Expected to remain at £240                                                                                                                                 |
| Internal Audit      | A small increase is anticipated.                                                                                                                           |
| Audit Investigation | A contingency of £ 2000 has been included.                                                                                                                 |
| Road Salt           | £100 included to bolster stocks.                                                                                                                           |
| Pride in Potto      | This has been removed due to residents adopting planters.                                                                                                  |
| Footpath Strimming  | Included in Village improvements.                                                                                                                          |
| Printing            | Expected to remain the same.                                                                                                                               |

## Potto Precept Calculations

The following tool provides the calculations as per the HDC guidelines.

### Parish Precept calculator

POTTO

#### Notes on Completion

To utilise this spreadsheet you only need to amend the two cells coloured green

Firstly, click in Cell C1. Click on the arrow and scroll to select the relevant Town / Parish Council from the pick list.

Secondly, input your precept requirement into cell C18 (this initially defaults to 2023/24 Funding requirement until the formula is overtype. This can be amended numerous times to see the effect that different precepts have on your residents bills (both £ and %)

#### This section outlines the Funding Requirement of the Parish Council

| Year                | 2024/25                                                      | 2023/24                                                                       |
|---------------------|--------------------------------------------------------------|-------------------------------------------------------------------------------|
|                     | This section can be amended to set the precept for next year | This section is for information only and provides details on the current year |
| Precept Requirement | £8,500.00                                                    | £8,000.00                                                                     |
| Band D Equivalents  | 152.51                                                       | 152.83                                                                        |
| Band D Charge       | £55.73                                                       | £52.35                                                                        |

#### This is the percentage change in precept paid that will appear on residents annual bills

|                                                      |       |                         |
|------------------------------------------------------|-------|-------------------------|
| % Council Tax Increase based on the proposed precept | 6.46% | Increase in Council Tax |
| £ Council Tax Increase based on the proposed precept | £3.38 | Increase in Council Tax |

#### This section shows the headline charge per band (before any discounts / exemptions etc)

| Band   | Projected 2024/25 Charge | Current Charge per Band |
|--------|--------------------------|-------------------------|
| Band A | £37.16                   | £34.90                  |
| Band B | £43.35                   | £40.72                  |
| Band C | £49.54                   | £46.53                  |
| Band D | £55.73                   | £52.35                  |
| Band E | £68.12                   | £63.98                  |
| Band F | £80.50                   | £75.62                  |
| Band G | £92.89                   | £87.25                  |
| Band H | £111.47                  | £104.70                 |

## Contingency and Reserves

The Annual Return for 2022-23 is being objected to by a member of the public and may be subject to additional charges by the external auditor.

This constitutes the greatest risk to the parish council and as such is constantly under review.

An additional £2000 has been included in the budget for 2023-24

A contingency of £3,000 is held to cover election expenses.

PPC is cognisant of the current inflation rate in the UK of around 10% and the proposed budget figures reflect this increase.

The proposed precept for potto Parish Council for the financial year 2024-25 is £8,500.

This report is proposed for adoption for 2024-25

**TOWN AND COUNTRY PLANNING ACT 1990  
PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990**

Dear Sir/Madam

**PROPOSAL:** Construction of one dwelling (as amended)  
**LOCATION:** Land Adjacent To Rawcliffe Cooper Lane Potto North Yorkshire  
**APPLICANT:** Mr & Mrs R Hill

The above application, which was received on 20 January 2023 ,has now been formally considered and determined by this Council. The decision on this proposal was: **Granted**. The comments which you made in respect of the proposal were taken into account in arriving at the decision.

A copy of the decision notice and planning report explaining how the decision was arrived at is now available to view on our website. [www.northyorks.gov.uk](http://www.northyorks.gov.uk)

If you require further information about this matter please do not hesitate to contact the case officer Mr Nathan Puckering who will be pleased to help. I would, however, draw you attention to the fact that only the applicant has a right of appeal against the decision.

Yours faithfully
